Aeschylus

The Furies:

The Furies of Marjorie Bowen John C. Tibbetts, 2019-11-25 This first book length critical examination of the life and work of Marjorie Bowen 1885 1952 reveals a major English writer whose prodigious output included stories of history romance and the supernatural As Pulitzer Prize winning critic Michael Dirda writes in his Foreword Bowen may be the finest British woman writer of the uncanny of the last century a view that echoes the high regard of cultural historian Edward Wagenknecht who called her a literary phenomenon one whose best work places her alongside such contemporaries as Edith Wharton and Daphne du Maurier Publicly acclaimed known only by a series of pseudonyms including Marjorie Bowen but privately inscrutable she was and is a mysterious and complex character Drawing for the first time upon archival resources and the cooperation of the Bowen Estate this book reveals a woman who saw herself as a rationalist and serious historian but also as a mystic and dark enchantress of dread Above all through a lifetime of domestic storms and creative ecstasy Bowen worked tirelessly as both a professional writer and a consummate artist always seeking as she once confessed to find beauty in dark places *Who's who in Classical Mythology* Michael Grant, John Hazel, 2002 With more than alphabetically arranged entries Who's Who in Classical Mythology details the origins of the legends and myths of ancient Greece and Rome **The Furies** JOHN JAKES , 1976 *The house of Atreus, being the Agamemnon, Libation-bearers, and Furies of Æschylus, tr. into Engl. verse by E.D.A. Morshead* Aeschylus, 1889 *The Furies* Lucien Price, 1988 *The Furies* Jane McLoughlin, 2004 A naked man is found dead It would seem to be a simple case of drowning But what are the whiplash marks on the man's back Foul play is suspect in this mystery But it is no mystery to Terry He has been the victim of the Furies and now seeks revenge The three women plan one final act of vengeance before the net closes in on them *The Character of Kinship* Jack Goody, 1975-10-02 In his editorial introduction Jack Goody explains that his aim has been to provide essays dealing with general themes rather than ethnographic conundrums or descriptive minutiae in the hope of achieving reconsideration of some central problem areas including those examined by an earlier generation of anthropologists and still raised by scholars outside the discipline itself *Visions of Order in William Gilmore Simms* Masahiro Nakamura, 2009 This is a provocative contrasting of Simms romances with those of his Northern contemporaries One of nineteenth century America's foremost men of letters William Gilmore Simms 1806 1870 of Charleston South Carolina distinguished himself as a historian poet and novelist yet his stalwart allegiance to the ideals of the Confederacy have kept him largely marginalized from the modern literary canon In this engaging study Masahiro Nakamura seeks to reinsert Simms into current American literary and cultural studies through a careful consideration of Simms Southern conservatism as a valuable literary counterpoint to the bourgeois individualist ideology of his Northern contemporaries For Nakamura Simms vision of social order runs contrary to the staunch individualism expressed in traditional American romances by authors such as James Fenimore Cooper and Nathaniel Hawthorne In his thoughtful approaches to Simms historical depictions of the making of American history and

society Nakamura finds consistent assertions of social order against the perils of literal and metaphoric wilderness a conservative vision that he traces to the influence of Simms Southern genius loci To understand how this Southern conservatism also manifests itself in Simms fiction Nakamura contrasts Simms historical romances with those of Hawthorne as representative of the New England romance tradition to differentiate the ways in which the two writers interpret the dynamic between the individual and society Nakamura finds that Simms protagonists struggle to establish their places within their culture while Hawthorne s characters are often at odds with their culture The resulting comparison enriches our understanding of both writers To illustrate his point further Nakamura discusses Simms Martin Faber in terms of individualism transformed into dangerous egocentrism He also examines Simms conservative views on the progress of American civilization in his Revolutionary War and border romances and explores Simms attitudes toward conflicts with Native American cultures in his colonial romances Nakamura concludes that while effectively employing the tradition of Sir Walter Scott s historical romance Simms used the genre as a vehicle for advocating the merits of social order as a Southern conservative answer to Northern bourgeois romanticism which celebrates individualism as key to the possibility of human progress

Classical Myths and Legends in the Middle Ages and Renaissance H. David Brumble,1998-02-01 While numerous classical dictionaries identify the figures and tales of Greek and Roman mythology this reference book explains the allegorical significance attached to the myths by Medieval and Renaissance authors Included are several hundred alphabetically arranged entries for the gods goddesses heroes heroines and places of classical myth a

Pausanias's Description of Greece Pausanias,1898

A Queer Capital Genny Beemyn,2014-06-20 Rooted in extensive archival research and personal interviews A Queer Capital is the first history of LGBT life in the nation s capital Revealing a vibrant past that dates back more than 125 years the book explores how lesbians gay men and bisexuals established spaces of their own before and after World War II survived some of the harshest anti gay campaigns in the U S and organized to demand equal treatment Telling the stories of black and white gay communities and individuals Genny Beemyn shows how race gender and class shaped the construction of gay social worlds in a racially segregated city From the turn of the twentieth century through the 1980s Beemyn explores the experiences of gay people in Washington showing how they created their own communities fought for their rights and in the process helped to change the country Combining rich personal stories with keen historical analysis A Queer Capital provides insights into LGBT life the history of Washington D C and African American life and culture in the twentieth century

The Play of Space Rush Rehm,2020-07-21 Is space a thing a container an abstraction a metaphor or a social construct This much is certain space is part and parcel of the theater of what it is and how it works In *The Play of Space* noted classicist director Rush Rehm offers a strikingly original approach to the spatial parameters of Greek tragedy as performed in the open air theater of Dionysus Emphasizing the interplay between natural place and fictional setting between the world visible to the audience and that

evoked by individual tragedies Rehm argues for an ecology of the ancient theater one that nests fifth century theatrical space within other significant social political and religious spaces of Athens Drawing on the work of James J Gibson Kurt Lewin and Michel Foucault Rehm crosses a range of disciplines classics theater studies cognitive psychology archaeology and architectural history cultural studies and performance theory to analyze the phenomenology of space and its transformations in the plays of Aeschylus Sophocles and Euripides His discussion of Athenian theatrical and spatial practice challenges the contemporary view that space represents a text to be read or constitutes a site of structural dualities e g outside inside public private nature culture Chapters on specific tragedies explore the spatial dynamics of homecoming space for returns the opposed constraints of exile eremitic space devoid of normal community the power of bodies in extremis to transform their theatrical environment space and the body the portrayal of characters on the margin space and the other and the tragic interactions of space and temporality space time and memory An appendix surveys pre Socratic thought on space and motion related ideas of Plato and Aristotle and as pertinent later views on space developed by Newton Leibniz Descartes Kant and Einstein Eloquently written and with Greek texts deftly translated this book yields rich new insights into our oldest surviving drama

Ancient Greek Beliefs Perry L. Westmoreland, 2007 Ancient Greek Beliefs explores the mysteries of the ancient myths and religious beliefs of a great people The text is divided into three sections Greek mythology the ancient Greeks and conclusions A brief history and lengthy glossary are included The book is designed as a basic text for the introduction to ancient Greek mythology and beliefs and the text muses about the religious lessons we might learn from them It contains abridged stories of Greek mythology including the extant Greek plays and considers portions of the works of the great writers including Aeschylus Euripides Hesiod Homer Plato and Sophocles It opens a comprehensive window into the lives of these great ancient people

The Virtues of Vengeance Peter A. French, 2001 In the course of his study of vengeance as a moral concept French exposes important distinctions between types of moral theories karmic and non karmic and between people who are morally handicapped and those who are morally challenged He examines concepts relevant to vengeance such as honor moral authority and evil and issues such as the rationality of revenge and proportionality in punishment

BOOK JACKET **The Journal of Hellenic Studies**, 1898 **The Great Dionysiak Myth** Robert Brown, 1877 *All the Year Round* Charles Dickens, 1886 **Eumenides** Aeschylus, 1895 *The Aeneid of Virgil* Virgil, 1893
