## **The Lives Of Caravaggio:**

**Lives of Caravaggio** Giulio Mancini, Giovanni Baglione, Giovanni Pietro Bellori, 2019-10-29 A new title in the successful Lives of the Artists series which offers illuminating and often intimate accounts of iconic artists as viewed by their contemporaries The most notorious Italian painter of his day Michelangelo Merisi da Caravaggio 1571 1610 forever altered the course of Western painting with his artistic ingenuity and audacity This volume presents the most important early biographies of his life an account by his doctor Giulio Mancini another by one of his artistic rivals Giovanni Baglione and a later profile by Giovanni Pietro Bellori that demonstrates how Caravaggio's impact was felt in seventeenth century Italy Together these accounts have provided almost everything that is known of this enigmatic figure **The Lives of Caravaggio** Giovanni Baglione, Giovanni Pietro Bellori, Giulio Mancini, 2016-10 In the course of a short and violent life Michelangelo Merisi da Caravaggio 1571 1610 revolutionized painting producing a style of shockingly immediate realism that swept through Europe The impact of his art and personality continue to resonate to this day Almost everything we know about Caravaggio's life comes from these three early biographies which reflect the sometimes horrified fascination that Caravaggio exerted on his contemporaries Giulio Mancini was Caravaggio's doctor Giovanni Baglione a bitter rival and art historian Giovanni Pietro Baglione the most judicious art historian of the following generation All three provide a vivid picture of a man whose life reads in part like a thriller as well as a fascinating window onto a world and habits of seeing that were mercilessly challenged by his art This edition is the first independent publication of these Lives of Caravaggio It is introduced by the leading expert on the painter Dr Helen Langdon who elucidates the historical and artistic context of these biographies and the men who wrote them Publisher description **Caravaggio** Helen Langdon, 2012-04-24 Of all Italian painters Caravaggio c 1565 1609 speaks most intensely to the modern world His early works suggest a fascination with his own youth and sexuality and the transience of love and beauty his later religious art speaks of violence passion solitude and death Ugly almost brutal looking Caravaggio was constantly embroiled in fights and entangled with the law the prototype anti social artist he moved between the worlds of powerful patrons and the street life of boys and prostitutes Helen Langdon uncovers his progress from childhood in plague ridden Milan to wild success in Rome and eventual exile and persecution in the South and sets his work against the political intellectual and spiritual movements of the day Fully illustrated her dramatic portrait shows Caravaggio's life to be as sensational and enigmatic as his powerful and enduring art *The lives of the painters, sculptors & architects. (Tr. by A.B. Hinds). Giorgio Vasari, 1900* [The Lives of Annibale & Agostino Carracci](#) Giovanni Pietro Bellori, 1968 The decisive role of the Carracci in seventeenth century art was as apparent to their contemporaries as it is now in our own time Annibale Carracci ranks directly after Caravaggio as the most important Italian painter of the Baroque era He established the tradition of Roman baroque classicism so firmly that it flourished in an unbroken line Carracci to Albani to Sacchi to Maratta for more than a century Generation after generation of artists came to

Rome to study his frescoes in the Farnese Gallery and his influence in the development of French neo classicism is still being explored The classical concept of the composed landscape largely his invention was to prove of central importance first to Poussin and later to Cezanne The translation the first into English is from Bellori s *Vite de Pittori Scultori ed Architetti Moderni* published in Rome in 1672 A friend of Poussin Bellori was librarian to Queen Christina of Sweden Pope Clement X recognized his many works on ancient art still of value today by making him Antiquarian of Rome Unlike many earlier and later art historians Bellori did not attempt to write about all the artists of a given area or epoch but selected only those he considered significant Schlosser called him the most important historian of art not just of Rome but of all Italy indeed of Europe in the seventeenth century

*Caravaggio* Andrew Graham Dixon, 2011-07-06 Action packed magisterial Caravaggio s life was every bit as bloody sexy and attention grabbing as the paintings themselves and Graham Dixon is a man who knows the paintings better than almost any The Times Michelangelo Merisi da Caravaggio lived the darkest and most dangerous life of any of the great painters The worlds of Milan Rome and Naples through which Caravaggio moved and which Andrew Graham Dixon describes brilliantly in this book are those of cardinals and whores prayer and violence On the streets surrounding the churches and palaces brawls and swordfights were regular occurrences In the course of this desperate life Caravaggio created the most dramatic paintings of his age using ordinary men and women often prostitutes and the very poor to model for his depictions of classic religious scenes Andrew Graham Dixon s exceptionally illuminating readings of Caravaggio s pictures which are the heart of the book show very clearly how he created their drama immediacy and humanity and how completely he departed from the
