The Local Church:

The Local Church Jim Gent,1994 **The Local Church in a Global Era** Max L. Stackhouse,Tim Dearborn,Scott Paeth,2000 This important volume explores the implications of the emerging global society for the local church and its mission Written by prominent scholars and missionaries The Local Church in a Global Era examines the relation of Christian theology and ethics to global changes in the family economics technology education the media and other key spheres of life

Cherish The Local Church: Understanding His Thrill In Our Assembling S. Sekou Abodunrin,2020-11-30 Paul s ministry could be condensed into two words local churches He was either starting them by filling them with new converts visiting them praying for them or writing Epistles to them If there were no local churches much of Paul s letters would never have been written The local church is Jesus greatest provision for the growth of His saints It is the greatest decision the saint will make for it is via the local church that you will be influenced into practicing or ignoring the written word It is a sobering thought that every time the churches were rebuked by the apostles in the bible the whole assembly was rebuked together Thus your local church says more about you than you are willing to admit Find your thrill in God s gift of the local church

The Local Church Edward W. Klink (III),2021 In today s hyperindividualized culture the author not only demonstrates why it s vital for individuals to connect to a local church but also reveals why it s vital to God s work in the world

Missions Andy Johnson,2017-08-15 Every local church should be engaged with global missions even if most individuals in the church aren t called to go overseas But what does this engagement actually look like How can local churches train send and support missionaries well Unpacking principles from the Bible and applying them in the context of real life in a local church this new book in the 9Marks Building Healthy Churches series is filled with practical steps and advice for supporting missionaries forming international partnerships sending short term teams and engaging with the nations here at home This book casts a vision for the local church as the engine of world missions for the joy of all people and the glory of God

Fellowship in the Local Church Today Chris Segun Onayinka,2025-04-30 What is God doing in these last days He is building strong local churches who learn God s word flow with and follow the leading of the Spirit Kenneth E Hagin We are persuaded that this is God s word for his church and believers Today and last couple of years we have endeavored to put out written audio and video materials encouraging effective participation in the local church In Hebrews 10 24 25 the writer of Hebrews speaks about the importance of not forsaking the assembling together of believers Likewise in 1st Corinthians more than five times Paul refers to the gathering and physical assembly of believers even instructing the same I believe that the information about the local church is critical in the days that we are in The days of technology and remote relationships call for a lot of reflection for believers not to in any way be subjected to such advancement of technology whilst we defy either openly or unconsciously the instructions of the written word In this book we will be studying together and examining the effectiveness of the local church What does the local church mean How does the local church participate in the overall

agenda of God for the earth Is the local church just a gathering of friends Is it a gathering of people who have mere mutual interest Or is there something that is heavenly and divine about the way we must gather then subject our minds to what is in the written word We will examine also the different characteristics of the local church and the different features the local church should have I believe that this will inspire Pastors engage and equip those who lead assemblies to know how effectively this should be done In Matthew 28 18 20 the Great Commission can be seen as a clear direction for the institution of the local church Apart from Matthew 18 15 19 where Jesus highlighted how conflicts should be resolved and the high point of it was in the local assembly Then in Verse 20 he says where two or three are gathered in My name there I am in the midst thereof This shows the importance of the authority and fellowship within the local assembly And this is the crux of this material As believers read we trust that they will participate much more effectively and efficiently in the local assembly and its activities We trust also that as you read this book meditate upon it and pray over it you will have greater participation in the work and ministry of the local assembly and the body of Christ generally in Jesus name And as many that will come in contact with you and because of the knowledge of the Word of God in this book I trust that it will also increase their own participation as well in Jesus name I remain multidimensionally yours Chris Segun Onayinka *The Local Church* Edward Klink,2021 How God Ministers to His People and the World through the Local Church The church is more than coffee with friends it s a meaningful gathering of Christians that involves fellowship and growing in biblical truth Given the rise of the internet and the availability of streaming church services many ministry leaders and church members are asking questions about the purpose and mission of the local church What is the church Why does the church exist How does the church function What is the connection between the Christian and the church Pastor and trusted scholar Edward Klink III addresses these questions and more with a thoughtful assessment of what the Bible has to say about God s intention for the local church body Klink stresses its importance as God s way of revealing his presence displaying his power fulfilling his purposes and manifesting his activity in the world In today s hyperindividualized culture this book not only demonstrates why it s vital for individuals to connect to a local church but also reveals why it s vital to God s work in the world **The Importance of the Local Church** Daniel E. Wray,1981-01-01 The features of a biblical local church and the importance of belonging

Why on Earth Are There Churches? Michael R. Privett,2012-08-21 After years of observation I have concluded that so many local churches function without regard to their God given biblical mission and objectives because of their unclear mission their unbiblical targets or their unbalanced objectives The Lord God has already given His church a clearly defined mission for the present age Yet so many local churches seem to function without understanding their biblical missiontheir God directed reason for existencewhile other local churches and their leaders have revised or even compromised their God given mission thinking that they know better than God Some churches disband Sunday school dismantle the choir and disassemble pews only to replace them with other programs and ideas that will become traditional soon enough Traditions

customs and worship styles vary from culture to culture and from generation to generation I've been in the gospel ministry long enough to have seen the pendulum swing back and forth a time or two. So many ministries, programs, concepts, and styles are not new but just repackaged. Today's new, fresh, blended methods will become traditional to the next generation after a short period of time. Too often we are more involved in following the latest fad than we are in striving to do all to the glory of God. What really matters is whether you have presented a true and accurate opinion and view of the nature and character of God so that others will praise and exalt Him to His worthy place of honor, esteem, and excellence.

Christ and His People

Mark Ashton, 2016 Eight convictions about the local church. Illustrations from real church life. Written with wise pastoral judgement and common sense.

Creating Community David Prior, 1992 Without true community even the most impressive local church has little more to offer than an endless cycle of meetings. If leaders feel they must be flawless or members find their personal needs and uniquenesses glossed over the church will never become a place where hearts are touched and lives are changed. Drawn from over 25 years of experience this book contains principles and suggestions that have repeatedly proven successful in creating community.

Friendship and Fellowship in the Local Church Dr. L.

Vega-Sanabria, 2023-05-22 After a teaching career of more than thirty years having taught across all grade levels and a broad range of subject areas, *Friendship and Fellowship in the Local Church: a 21st Century Perspective* is a product of an encompassing ministry experience in the local church for both Spanish speaking and English speaking congregations as a teacher, deacon, and pianist. A research based study with a pragmatic and practical view on the needs of one of the most unrecognized and misunderstood populations: those of the inmate believers. The Gospel message is clear and the members of the body of Christ have a responsibility to encourage one another and build each other up. 1 Thessalonians 5:11 NIV. The message of our Lord Jesus Christ is as real today as it was centuries ago: I tell you, open your eyes and look at the fields. They are ripe for harvest. John 4:35 NIV. Believer inmates are members of the body of Christ; their conversions are real, their transformations are evident, and their faith is strong. Yet they too need the support of other members of the body of Christ for the Holy Spirit works through each member as he or she is gifted in order to address and attend to the unique needs of the incarcerated believer inmates. Hear their silent cries as they are revealed in the *Friendship and Fellowship in the Local Church: a 21st Century Perspective*. The Gospel of John states the reason Jesus visited Samaria: Now he had to go through Samaria. John 4:4 NIV. And in NKJV it states: He needed to go through Samaria. For Jesus it was a need; Jesus knew the importance of reaching out to those who were marginalized, who were ostracized, and who were highly criticized and judged. They had been abandoned but Jesus had other plans. Later he met the Samaritan woman and through her her village and her town received the Good News about the Messiah. Many of the Samaritans from that town believed in him because of the woman's testimony. John 4:39 NIV. His own disciples were blind to this need; they were subject to the day's misconceptions and misinterpretations and biases. Later Jesus pronounces one of the most significant statements of the Gospel message: I tell

you open your eyes and look at the fields They are ripe for harvest John 4 35 NIV Friendship and Fellowship in the Local Church a 21st Century Perspective is a call to reach a group of people that have been abandoned and rejected to address their needs spiritual social emotional and psychological It is like Jesus said A field ripe for the harvest It is an eye opener a pioneer research study addressing the needs of one of the most deserted and neglected populations considering it covers a topic difficult to discuss and is of much controversy Paul said Remember my chains Colossians 4 18 NIV When Jesus was accused of associating with those that were outcasts his reply was For I have not come to call the righteous but sinners Matthew 9 13 NIV *Sacred Community* Brendon Naicker,2023-06-26 The local church is more than just a structure or a weekly gathering it is a thriving community of believers It is a place where hearts are united lives are transformed and relationships are strengthened We find a family in the local church that loves supports and challenges us to grow in our faith We discover a sanctuary of grace within these walls where brokenness is met with compassion and forgiveness flows freely It is a place where we learn to worship together by raising our voices in unison and surrendering to the One who is worthy of all honour and praise However the local church is not bound by its physical boundaries It goes beyond the Sunday service into the streets neighbourhoods and hearts of those who are in need It is a beacon of hope in a world searching for meaning and purpose We find opportunities to serve to use our gifts and talents for the greater good in our local church We are encouraged to deepen our understanding of the Bible seek wisdom and become disciples who make disciples So let us embrace the local church s beauty and potential Let us be active participants rather than passive observers *Ministers and Parish Churches* John Blair,1988 **Why the Local Church?** Lawrence H. Pote,1976 **Community-led Regeneration and the Local Church** Samuel Wells,2003 *Strengthening the Local Church* Roger Hillis,2025-10-04

I love the local church It is an important part of God s plan for the spiritual growth and development of His people He has not left us to serve Him all by ourselves but has put us into communities of like minded followers who seek to honor and praise Him to reach out to the lost souls in our lives and to build up the main Biblical term for this is to edify one another My goal is for churches to get a copy of this material for each family and to have the whole church read it together over a 40 day period and to discuss these ideas together and hopefully try to change some things in the local church that need to be considered and improved

Christian Life and Practice in the Early Church Edmond Déhault de Pressensé,1877 **Evangelism Through the Local Church** Ken Green,Michael Green,1993 Michael Green draws from a lifetime s experience in this seminal work on the theory and practice of evangelism The best means of communicating effectively the good news of Christ is through the local church he contends He seeks here to stimulate vision and remove the hang ups which so often accompany the very mention of evangelism **The New Testament Church** William Henry Harrison Marsh,1898
