## **The Lucky Bastard:**

*The "lucky Bastard"* John Prewit,1983      **Lucky Bastard** ,2021      **The Lucky Culture** Nick Cater,2013-05-01 A bold and provocative book about Australia s national identity and a plea to keep Australia s famed open mindedness Cater tracks the seismic changes in Australian culture and outlook since Donald Horne published THE LUCKY COUNTRY in 1964 A great book Rupert Murdoch A bold and provocative book about Australia s national identity and how it is threatened by the rise of a ruling class Nick Cater senior editor at the Australian tracks the seismic changes in Australian culture and outlook since Donald Horne wrote the Lucky Country in 1964 His belief is that countries don t get lucky people do the secret of Australia s good fortune is not found in its geography or history the key to its success is the Australian character the nation s greatest renewable resource Liberated from the constraints of the old world Australia s pioneers mined their reserves of enterprise energy and ingenuity to build the great civilization of the south their over riding principle was fairness everybody had a right to a fair go and was obliged to do the right thing by others today that spirit of egalitarianism is threatened by the rise of a new breed of sophisticated Australians the bunyip alumni who claim to better understand the demands of the age their presumption of elitism and superior virtue tempts them to look down on others and dismiss opposing views Half a century after Donald Horne named Australia the Lucky Country Nick Cater takes stock of the new battle to define Australia and the rift that divides a presumptive ruling class from a people who refuse to be ruled the Lucky Culture is a lively and original take on 21st century Australia and its people Sometimes rousing often provocative and always good humoured its unexpectedly moving message cannot be ignored THE LUCKY CULTURE is a great book and particularly relevant as it comes in a moment of high political excitement I particularly loved Nick Cater s passion for the great Australian dream It is the first step in restoring that dream Rupert Murdoch      **Lucky Bastard** Deborah Coonts,2013-05-14 Evanovich with a dash of CSI Publishers Weekly review of Lucky Stiff Everyone Has a Hidden Talent As the Chief Problem Solver for the Babylon Las Vegas s most over the top destination solving the occasional murder is in Lucky s job description A rapier wit her weapon of choice LUCKY BASTARD Tonight someone turned a young woman a Jimmy Choo embedded in her carotid into a hood ornament for the latest Ferrari in the Babylon s dealership And one of the big name players in a huge poker tournament ends up dead Are the two deaths related Lucky starts making connections putting her in the crosshairs of a killer Her former lover Teddie comes back from his rock tour to deliver a bombshell Then life deals another major complication to her personal life and it s not going to be pretty Can Lucky handle the fallout and catch a killer A light funny romantic mystery providing a Vegas escape appropriate for anyone looking for a good laugh Get your copy today AN INTERVIEW WITH DEBORAH COONTS Why did you decide to write humor I m not sure I decided to add snark to the Lucky books specifically to Lucky s own voice it just happened that way When I was a kid my mouth always got me into trouble Finally I ve found a way to harness the sarcasm for the Forces of Good or at least in a way not to anger my grandmother And when Lucky started talking

to me she had a strong dose of sass in her The Lucky O Toole Vegas Adventure series is hard to categorize Is that by design When I set out to write Wanna Get Lucky I knew I wanted to write a romp through Las Vegas I had the characters and the setting but no real understanding of narrative drive So I threw a young woman out of a tour helicopter into the middle of the Pirate Show and let the story unfold A bit of murder to keep the plot moving some wisecracking and Vegas mischief to make you laugh and some romance to keep it interesting A bit of a mash up but it works PRAISE FOR Lucky Bastard If you're entertained by sex innuendo and a few fantasies you'd like to see played out and who isn't you ought to have Lucky and her extended Vegas family So Damn Lucky 2012 etc on speed dial Kirkus Reviews starred review This fast funny frantic Vegas set series offers great laughs as well as compelling mystery and intriguing continuing characters You'll want to spend more time with Lucky the daughter of a former madam and a mobster RT Book Reviews the talented Coonts takes the reader on another wild ride through Sin City Booklist Lucky's sass and snark make for fun reading Publishers Weekly *Lucky Bastard*

**One Lucky Bastard** James B. Myers, 2010-06 *One Lucky Bastard A Memoir* is a story inspired by an event that occurred in 1995 when my biological mother and I were reunited for the first time in 37 years I was born a bastard big deal not everyone enters the world through the eyes of Norman Rockwell The important thing was that I was adopted well

My parents loved me and were excellent providers By age twelve however certain issues regarding my sexual orientation emerged During that period of chaos known as puberty I chose to hide behind a straight relationship for eight years until it tragically fell apart Little did I know but that was just the beginning of a series of extraordinary challenges including the death of my soul mate brought on by the onslaught of AIDS There was the murder of my Godchild s mother by her husband My father would die on the floor of a VA hospital and my mother would go on to develop Alzheimer s disease As the first thirty seven years of my life came its darkest point I found myself searching for my biological roots Fate gracefully stepped in and guided me towards the mother who was forced to give me away at birth and a reunion took place that changed two lives forever One Lucy Bastard A Memoir will appeal to anyone who has been involved in an adoption experience and to everyone who has struggled to find authenticity in their lives James B Myers lives in Los Angeles California
