## **The Power Of Freedom In Human Affairs:**

Rudolf Steiner's Vision of Love Bernard Nesfield-Cookson,2011-03-14 Gathering together references to the logic of the heart from throughout Steiner's work the author encapsulates the great teacher's revelations on the meaning of love and indicates the supreme importance of the greatest of all deeds of love Cover *The True Life*, 1890 The Institutes of the Law of Nations James Lorimer,1883 *The Philosophy of Human Relations, Individual and Collective* Henry Lester Smith,Harold Littell,1931 Nicholas of Cusa on the Trinitarian Structure of the Innate Criterion of Truth Paula Pico Estrada,2021-11-22 In Nicholas of Cusa's 1401-1464 unitrine conception of the human power of judgment arguing that the innate criterion that guides human beings to their end is formed by a cognitive an affective and a social dimension and that it not only makes possible the systematization and evaluation of cognitive experience but also enables morality Based on a close reading of Cusanus philosophical treatises the study deepens our understanding of Nicholas of Cusa's epistemology showing that his anthropological conception integrates philosophy and theology *Rethinking Political Crisis and Collapse* Antonio Calcagno,Mark Yenson,2026-01-08 By analyzing the concepts of political crisis and collapse in the works of Hannah Arendt and Simone Weil this book seeks to uncover possible responses to modern social and political crises while inciting new visions of hopeful political futures *The Open Court*,1887 Human Relations and Power Albert Mueller-Deham,1957

Love Pietro Archiati,2025-04-21 What our world needs most of all today is love because the deepest albeit often unacknowledged human longing of our time is the longing for true love Pietro Archiati The word love has become so hackneyed that it can mean almost anything Yet the concept or idea of love remains one of most unfathomable mysteries of human life Here in five carefully sculpted chapters Pietro Archiati takes up the challenge to illuminate and expand upon our understanding of this most fundamental and unique quality of human existence beginning with the great themes of Love and Hate the salt and pepper of life and concluding with Realism and Idealism Is it really possible to love the whole of humanity And how do we balance individual freedom with the ideal of fraternity Along this journey the author asks and addresses numerous questions such as What are the causes of sympathy and antipathy and is love more than a feeling What do masculine and feminine really mean today and what role does sexuality play in freedom What value is the heart without the head and the head without the heart And what do the great religions in particular Islam and Christianity have to say on these subjects Archiati tackles the difficult and problematic topics of Love and Sexuality Love and Death and Love and Reason As a special focus he investigates the logic of the heart and what it can mean for humanity's future development **God of Love and God of Reason** David R. Mason,2016-02-18 These homilies lectures and essays vigorously champion the author's conviction that it is reasonable to believe in a God of pure unbounded love and also that the best religion is a reasonable religion That is the God of Love is the God of Reason and as a seventeenth century Cambridge preacher put it If you would be

religious be rational in your religion Thus these essays challenge both the New Atheists and Fundamentalists who are twins like Tweedledum and Tweedledee And they aim positively to unpack the meaning and implications of Jesus dictum You shall love the Lord your God with all your heart and with all your soul and with all your mind This is the greatest and first commandment And the second is like it You shall love your neighbor as yourself On these two commandments hang all the law and the prophets     *Human Relations in Administration* Robert Dubin,1968     *Mind* ,1888     Scribner's Monthly, an Illustrated Magazine for the People ,1886     **Current Literature** ,1896     *Journal of Human Relations* ,1965

**Miscellaneous Essays** Sir Archibald Alison,1850     **The Works of William E. Channing, D.D.** William Ellery Channing,1875     The Works of William E. Channing William Ellery Channing,1895     **New-Church Messenger** ,1871
