Story Of The World Cup:

The Story of the World Cup Brian Glanville, 2005 The dramatic and controversial history of the world's leading tournament Brian Glanville's classic account is a celebration of the great players and matches from Uruguay in 1930 to Korea Japan in 2002 and a bold attack on all those who have mismanaged the beautiful game The Official History of the Fifa World Cup(tm), 2018-04-03 Look back at all 20 World Cup tournaments starting from the very first game in the only officially endorsed history from FIFA No event in the sporting world can rival the glamor impact fervent following and universal appeal of the FIFA World Cup TM Authoritative and comprehensive The Official History of the FIFA World Cup reviews every tournament since the games were inaugurated in Uruguay in 1930 Packed with stunning photography official documents and statistics this unique book tells behind the scenes stories analyzes the legendary matches and features the biggest stars as well as many lesser known players It's a must read for soccer fans around the world **An Illustrated and Popular Story of the World's First Parliament of Religions ...**, 1893 The Power and the Glory Jonathan Wilson, 2025-09-04 A master at telling football's greatest ever stories Breathtaking Wilson's eye for detail and his elegant writing brings the World Cup to life like no other book on the topic I have ever read ELIS JAMES Epic in scope awesomely rich in detail and compulsively entertaining TOM HOLLAND So much of what we know of football's history we know thanks to Wilson SIMON KUPER The football World Cup is the most watched sporting event on the planet It has become a global obsession 211 nations initially entered the 2022 edition It has been running for almost a century Yet there is no comprehensive history of the tournament based on fresh interviews and meticulously researched this book will change that By 1930 football had outgrown the Olympic Games A new competition run by Fifa would take international football to the next level After a shambolic start to the first cup in Uruguay an incomplete stadium shoddy refereeing and physios accidentally injuring players the thrilling final saw Uruguay take on Argentina beating them 4-2 From those chaotic beginnings grew the modern World Cup a cultural phenomenon that draws the world together like nothing else and that gives it a profound importance Ask a random person on a random street to name a moment in the history of Senegal and they may well say Pape Bouba Diop's winner against France in the 2002 World Cup a goal not only against the defending champions but against the former colonial masters The World Cup has political significance West Germany's success in 1954 was a moment of reintegration into global society Progress to the semi-finals in 1998 gave a huge boost to Croatia's sense of national self But football is an unpredictable sport In the so-called Soccer War of 1969 tensions between El Salvador and Honduras were ignited by a World Cup qualifier More recently the focus for governments seeking to political gain has been hosting the tournament with the World Cups in Russia and Qatar clear examples of sportswashing staging a tournament to project an image of a thriving society There has never been a comprehensive history of the World Cup that has considered not only the matches and goals the players and coaches the tales of scandal and genius the haggling and skulduggery of the

bidding process but has also placed the tournaments within a socio political framework The story of the World Cup is also the story of the world this book tells its definitive history *World Cup stories: the history of the FIFA World Cup* Chris Hunt,2006 This publication accompanies a BBC series on the World Cup and looks at the development of the tournament its best players and teams and its role in making football the world s foremost sport **The Prophetic History of the Church and the World: from the Revelation, Daniel, and Ezekiel, Compared with and Explained by History** Edwin Heycock,1872 **The Official History of the FIFA World Cup** FIFA Museum,Fifa Museum,2024-03-26 The only officially licensed book charting the history of the FIFA World Cup The Story of the Herschels, a Family of Astronomers ,1879 Best Short Stories of the World Konrad Bercovici,1925 History of the FIFA World Cup Jon Stroud,David Hein,2010-05
