Leisure Myths and Mythmaking Brett Lashua, Simon Baker, Troy Glover, 2022-11-10 This book centralizes powerful leisure stories that may otherwise be understood as myths sometimes recognized often less so that circulate in the field of leisure studies and beyond In everyday use a myth perpetuates a popularly held belief that is false or untrue However in social and cultural theories myths are more complex as partial truths that privilege particular versions of a shared social reality We see myth as having an absent presence in leisure studies and want to know what myths are what they do and how they circulate and shape people s leisure lives Myths can do more than obfuscate they often animate people s lives motivate collective action and inspire change As the chapters in this edited volume explore in further detail leisure myths and mythmaking involve complex relations in the gaps between reality and imagination from the shared myths of musical legends to myths of placemaking and communities as well as from origin myths of sport practices to fantasy and festivals to the importance of storytelling as mythmaking in tourism In different ways each of these chapters alerts the readers to the absent presence of myths and mythmaking in leisure research The chapters in this book were originally published as a special issue of Leisure Sciences

Essays on Sport and Natural History James Edmund Harting, 1883 **Edge of Glory** Christine Brennan, 2013-12-28 They practice for years in cold dark rinks with a single dream they train for decades for one moment to skate onto the ice with the whole world watching to try to win the Olympic gold medal If they stumble the gold is gone If they succeed their lives can be changed forever In Edge of Glory Christine Brennan tells the riveting stories of the world s best figure skaters as they travel through the most intense year of their young lives As she did in the bestselling Inside Edge Brennan goes backstage at major competitions and behind the scenes at the practice rinks to chronicle the figure skaters quest for victory at the 1998 Winter Olympic Games in Nagano Japan The year opens with the 1997 U S national

championships in Nashville where the teenage Michelle Kwan a favorite for the Olympic gold medal dissolves on the ice during a wrenching four minute performance As Kwan bursts into tears leaving the rink tiny Tara Lipinski arrives on the ice and steals the show The crowd roars and a new ice queen all seventy five pounds of her is crowned Tara shrieks in delight as she begins a run of historic victories but she knows that she is paying a high price for winning Living apart from her father Tara can find her practice sessions overwhelming and sometimes leaves the ice in a frenzy as her mother watches in horror In the 368 days from Nashville to Nagano other women will vie for the gold including the unpredictable Nicole Bobek the lyrical Lu Chen and even a college graduate Tonia Kwiatkowski who would love simply to make the U S team The men s competition has turned into an unprecedented jumping contest led by Canada s controversial Elvis Stojko But the men s field is deep and nothing is certain when a skater flies into the air for a four revolution jump Todd Eldredge of the United States and Russia s Alexei Urmanov and Ilia Kulik are chasing Stojko as are some youngsters including America s top jumper Michael Weiss On the way to the Olympics Brennan catches up with the famous and infamous including Tonya Harding Nancy Kerrigan Oksana Baiul Brian Boitano Scott Hamilton Rudy Galindo and the exquisite Russian pairs She introduces us to the people behind the scenes the edgy agents who are never far from their cellular phones the attentive coaches and choreographers who have devised the intricate moves that will determine who wins the gold and who does not and the stern judges who control the sport from their rinkside seats But *Edge of Glory* is ultimately the story of the athletes who compete in the most popular and beloved of all winter sports What drives these skaters through the year What do they fear What are their dreams More importantly who will win And who will lose
