## Strange Attraction:

**Baffling Tourist Attractions** Marcus Blackwell, AI, 2025-02-12 Baffling Tourist Attractions explores the world of unusual tourism diving into why people are drawn to bizarre and quirky destinations. The book investigates attractions that defy traditional expectations examining the cultural, historical, and psychological factors that make them so captivating. From giant balls of twine to museums of broken relationships, it seeks to understand our fascination with the odd and unexpected. The book is structured to explore the historical origins of bizarre tourism, tracing how travelers have long sought out unusual sights. It delves into the psychology behind these attractions, examining how they fulfill our desire for novelty and authentic experiences. It also considers the economic and social impact of these attractions on local communities, highlighting their role in revitalizing economies and promoting cultural preservation. Ultimately, the book argues that these baffling attractions serve a vital function by reminding us that history includes the strange and unexpected. It adopts a narrative non-fiction style, balancing scholarly research with engaging storytelling.

*Curepedia* Simon Price, 2023-11-09 A Rough Trade Book of the Year A Guardian Music Book of the Year. Beautifully written and meticulously researched, *Classic Pop* is an all-encompassing repository of Cure wisdom. Record Collector: The Cure are indisputable titans of alternative rock. It reverberates through fans of all generations worldwide and through genres ranging from emo to goth, industrial to indie rock. In this fully updated edition of *Curepedia*, Simon Price sifts through the facts, the myths, and the tall tales around The Cure, their recording history and epic tours, to deliver a uniquely kaleidoscopic portrait of the legendary band and a book that has been praised as the definitive document and account of their remarkable career. *The Cure FAQ* Christian Gerard, 2021-10-15 Led by the iconic frontman Robert Smith, the Cure remain one of the most beloved and influential bands in the history of alternative rock. Thanks in part to classic singles like *Just Like Heaven*, *Boys Don't Cry*, *Lovesong*, *In Between Days*, and many others, the Cure have sold millions of records worldwide and have performed in front of countless fans in every corner of the globe. Albums like *Disintegration*, *Kiss Me*, *Kiss Me*, *Kiss Me*, and *The Head on the Door* are universally hailed as landmarks of the genre. For the first time, *The Cure FAQ* covers the band's forty-plus-year career while offering fresh insight into each song in the Cure's vast canon. Each album is dissected and reviewed with candid commentary and extensive research. Thomas Carlyle, 1887 *The Cure* Matthew R. Davis, 2025-06-02 Few bands can claim anything like the longevity, sincerity, and sheer creative breadth of The Cure. From their beginnings as literate punks through their early bleak masterpieces that

ended with Pornography 1982 to the pop years that followed and their worldwide success with the mercurial Kiss Me Kiss Me Kiss Me 1987 and the monolithic Disintegration 1989 they have built a reputation as idealistic iconoclasts and sustained a dearly devoted audience that hangs on Robert Smith's every impassioned word. Their epic live sets regularly include deep cuts from every era and run the gamut from unabashed romanticism to harrowing sorrow from dance to dirge and back again. As prolific in the studio as they are on stage their history is littered with remarkable B sides rare tracks live records remixes and more. This book examines the entirety of The Cure's quixotic catalogue from the surly departures of Three Imaginary Boys 1979 to the triumphant return of Songs Of A Lost World 2024 and all points in between. For every mood there's a Cure song to match and you'll find it here. Matthew R Davis is a Shirley Jackson Award nominated author and musician from Adelaide South Australia. He has published one hundred short stories and eight books to date including the horror collections If Only Tonight We Could Sleep and Songs of Shadow Words of Woe. He was the vocalist bassist and lead songwriter in Blood Red Renaissance has supported Anathema and Queensrÿche with icecocoon and has written even more songs than appear in this book. A diehard Cure fan since the age of nineteen he shares his life and love for the band with the award winning artist Meg Wright aka Red Wallflower.
