**Strange Bodies** Tom de Freston, 2024-05-02 a book full of love that makes you see what really matters both in art and life Clever tender completely compelling Ella Risbridger In 2020 artist Tom de Freston and his novelist wife Kiran Millwood Hargrave discovered they were expecting twins But Kiran miscarried and thus began a long journey to parenthood that saw the loss of six more pregnancies De Freston began exploring his experience of the losses in his artwork searching for a way to make sense of his grief and of his wife s He finds representations of his feelings towards Kiran in Ovid s myth of Orpheus who in turning back to gaze upon Eurydice loses her to the Underworld a story which captures the longing for closeness within a couple and the intense pain in the distance between them His search for understanding leads him to artists and artworks from Titian and Francis Bacon to Braca Ettinger and Gerhard Richter And as the miscarriages mounted and de Freston became ever more aware of the precarious bodily experience that is pregnancy he excavates the erotic charge of the male gaze its yearning for connection and the desires and boundaries that exist between lovers and between painter and painting Addressed directly to De Freston s wife Kiran *Strange Bodies* is an intimate authentic and powerfully moving account of a loving relationship that pulses with wonder and insight *Strange Synergy* Steve Jackson, 2003 [Collagen. History, Habits, Hidden Connections](#) ELENA CLATICI, MD, VICTOR GABRIEL CLATICI, MD, 2022-02-21 All you wanted to know about collagen is here evolution roles enemies importance and more Learn how you can install anti aging habits and discover the science backed FORMULA that will offer your skin the health and beauty you are dreaming of Combining recent scientific data and quotes of timeless wisdom this e book is a step by step guide to skin health and beauty via collagen and habit formation It dives deep into what collagen is and why it is vital while explaining skin aging mechanisms what facial appearance reveals about us how collagen contributes to a first impression etc We also discover the main antagonists of collagen how they act why they make us look older and what skincare should mean Essentially the authors help us understand how we can form good habits and use them to reach our well being goals offering a powerful tool for attaining the much desired health and beauty Their FORMULA s steps and potential saboteurs are detailed so as to turn a to do list into a success list for the skin and beyond **Riots and Militant Occupations** Alissa Starodub, Andrew Robinson, 2018-09-07 *Riots and Militant Occupations* provides students with theoretical reflections and qualitative case studies on militant contentious political action across a range from across Europe to Nigeria China and Turkey This multi authored interdisciplinary collection adopts an interpretive and participatory approach to examining meanings affects embodiment identity relationality and space in the context of riots and protests The rapidly shifting terrain of riots and occupations has left existing social scientific theories lagging behind challenging dominant constructions of agency and rationality This book will fill this gap by offering new understandings and critical perspectives on the question of what happens in space in time and between people during and after riots Weaving together observations experiences and analyses

of riots from participants theorists and social scientists the authors craft theoretical perspectives in close connection with researched practices These perspectives take the form of new theoretical contributions on the spatiality affectivity and immanent meaning of riots and grassroots qualitative case studies of particular events and contexts Countering the preconceptions of riots as a trail of broken windows burned dumpsters and angry conservatives this book aims to demonstrate that riots are fundamentally creative generating forms of meaning power knowledge affect social connection and participatory space which are rare and sociologically important in the modern world

How to Speak Fluent Baboon Hugo Bainbridge, Meet Mary A perfectly ordinary woman until a fateful encounter with a fortune teller who admittedly happened to work at a zoo turned her world upside down Now her only form of communication is fluent baboon Picture this powerpoint presentations delivered entirely through a series of guttural screeches and well timed gestures Boardroom meetings punctuated by the rhythmic thumping of a highly expressive chest Romantic encounters where the only words uttered are ooh ooh ah ah Does this sound like your average day at the office Perhaps not But Mary s journey is a hilarious exploration of communication workplace politics and the unexpected power of nonverbal cues It s also a testament to Mary s resilience adaptability and her remarkable ability to make a killer deal with nothing but a strategic grunt and a perfectly timed eyebrow raise In this book we ll venture into the absurd world of primate infused corporate life We ll delve into the challenges and the unexpected successes of navigating the workplace when your vocabulary consists entirely of monkey business So grab your bananas prepare for some serious laughter and let s see if we can learn to speak fluent baboon together or at least appreciate the comedic genius of those who can It s guaranteed to be a lot more entertaining than your average corporate retreat

**Tearing up the Avenue** Dale DeLong, 2022-11-02 Albert Lucky has hit a wall He s a middle aged loser adrift in middle management in a big box retail store At work he has started talking to phantoms instead of customers He has become unkempt and slovenly Then there is an awakening Great energies pour into him from Divine places harkening him back to miraculous visions he experienced as a teen Thus begins an epic journey of reconciliation that is graced with a bevy of characters including the owner of a big box retail behemoth who happens to be a former live wrestling champion Meet also a Native American woman who is a paralegal in a run down law firm Albert s wife children and unflappable dog and an unorthodox private investigator who can t decide if he s Hindu or Mennonite The unexpected happens in this gripping account of spiritual and psychological growth Tearing Up the Avenue is a novel about loss and the experience of terrible abuse but also a book about love prophecy and mysticism at the highest level Albert Lucky finds himself at the center of a whirlwind of profound vision and insight in the midst of what was a relentlessly drab life Incredible events and revelations abound

*Acts of Possession* Leah Dilworth, 2003 The success of internet auction sites like eBay and the cult status of public television s Antiques Roadshow attest to the continued popularity of collecting in American culture Acts of Possession investigates the ways cultural meanings of collections have evolved and yet remained surprisingly

unchanged throughout American history Drawing upon the body of theoretical work on collecting and focusing on individual as opposed to museum collections the contributors investigate how what and why Americans have collected and explore the inherent meanings behind systems of organization and display Essays consider the meanings of Thomas Jefferson s Indian Hall at Monticello the pedagogical theories behind nineteenth century children s curiosity cabinets collections of Native American artifacts and the ability of the owners of doll houses to construct meaning within the context of traditional ideals of domesticity The authors also consider some darker aspects of collecting hoarding fetishism and compulsive behavior scrutinizing collections of racist memorabilia and fascist propaganda The final essay posits the serial killer as a collector an investigation into the dangerous objectification of humans themselves By bringing fresh interdisciplinary critical perspectives to bear on these questions Dilworth and her coauthors weave a fascinating cultural history of collecting in America
