## **The Forbidden Gift:**

The Forbidden Gift Anttarr,2004-09 The Forbidden Gift is defining that intangible knowing that unmistakable feeling that tells you there is more more than you have previously ever had the chance to fully conceptually digest and savor defining that feeling behind whose many masks lie layer upon layer of uncomfortable sensations that as you progressed through life you merely adapted to and incorporated into the you that you are today Who are you Each chapter of this book is a walk through your life and the life of humankind in general Who am I is naturally followed by What is my purpose for living for being Who is responsible for all this What is the reason To answer these questions we must look into the heart the source of your reality and venture beyond the known into the unknown That is what this book is all about liberation from the unconscious forces that cause you to behave think feel and live in fashions that are not productive but counterproductive to realizing the whole essence of your highest potential If you open your heart and mind to what is said you will experience personal insights and a loosening of the very dense jungle of chronic deeply rooted scripting that controls your entire orientation and self creation in the life process The strength to make impact the strength and methodology to pull your own strings and the ability to sense your own power and apply it intelligently and with sensitivity even passion is my theme ANTTARR
