Mindbridge Joe Haldeman,2014-12-02 A remarkable alien technology could have devastating consequences for humanity in this novel by the Hugo and Nebula Award winning author of The Forever War In the far future the accidental scientific breakthrough known as the Levant Meyer Translation changes everything Suddenly people can leap instantaneously across the universe albeit temporarily enabling teams of Tamers to explore far flung worlds and prepare them for possible human habitation But one expedition doesn t make it back alive

Jacque Lefavre achieves his lifelong dream of becoming a Tamer when he joins the Agency for Extraterrestrial Development. On his first exploratory mission to a planet known as Groombridge Lefavre and his team encounter something truly extraordinary: a small nonsentient creature that when joined with another of its kind creates a telepathic bridge. But exploiting this psychic link could bring unanticipated perils for it is about to bring Lefavre and his team into dangerously close contact with the L'vrai, an ancient, advanced and hostile race of star travelers: an encounter that could prove to be the first step in humankind's salvation or its doom. Vietnam and Other Alien Worlds Joe Haldeman, 2014-12-02. The author of *The Forever War* presents a collection of writings ranging from our past in Southeast Asia to our future among the stars. Nebula and Hugo Award winning author Joe Haldeman burst onto the literary scene with the hugely popular novel *The Forever War*, but his career also took off on the strength of his short fiction. This brilliant collection brings together examples of his science fiction as well as his writing on Vietnam and reveals the inexorable connections between the two. The works included in *Vietnam and Other Alien Worlds* are united by its title essay in which Haldeman explains how his past informs his envisioned futures. One of these futures is a grouping of four stories from the Confederation universe which includes his novels *All My Sins Remembered* and *There Is No Darkness*. An anthropological expedition goes awry as a research team's subjects become murderous and trade negotiations fall apart comically lost in translation. The collection closes with one of Haldeman's most affective works about Vietnam, the moving narrative poem *DX Vietnam*. *Vietnam and Other Alien Worlds* proves to be an anthology as versatile and multifaceted as the author who wrote it. This ebook features an illustrated biography of Joe Haldeman including rare images from the author's personal collection.

All My Sins Remembered Joe Haldeman, 2014-12-02. In this powerful provocative SF classic from the award winning author of *The Forever War*, a young man of peace is transformed into an intergalactic killer. Once Otto McGavin was a kind and gentle soul, then he was recruited by the all-powerful Confederation. An ultrasecretive government-linked organization, the Confederation's stated mission of protecting threatened life, both human and alien throughout the galaxy, greatly appeals to the Anglo-Buddhist McGavin as he eagerly prepares to embark on a career of diplomacy and selfless works. But Otto's new masters have other plans for the idealistic young recruit. Through a process of immersion therapy and hypnosis and by encasing him in temporary bodies of plastiflesh, scientists can overlay Otto's true persona with other ones, transforming him completely: body, mind and soul into the ruthlessly effective prime operator the Confederation wants him to be. But decades of interstellar subterfuge and violence and years spent wearing the personae of spies and cold-blooded killers must ultimately take their toll, and before he leaves behind the lives that have been cruelly thrust upon him, Otto McGavin will have to somehow come to terms with who he really is and the monstrous things he has done. One of the most powerful and thought-provoking stories from the Hugo and Nebula Award winning author of *Worlds* and *The Forever War*, Joe Haldeman's *All My Sins Remembered* is a stunning work of

speculative fiction This ebook features an illustrated biography of Joe Haldeman including rare images from the author's personal collection **A Separate War and Other Stories** Joe W. Haldeman, 2006 Spanning more than thirty five years in the writing career of the Hugo and Nebula Award winning author a collection of short fiction includes fifteen never before collected stories that feature such works as his first sold tale Out of Phase A Separate War with a character from the classic novel The Forever War and For White Hill based on a Shakespeare sonnet 17 500 first printing *The Forever War* Joe HALDEMAN, 1994
