made this strange sometimes unattractive personality a powerful poet Putting aside the politics this lecture draws on autobiographical material as well as early poems to suggest a possible imaginative source in childhood trauma It also traces the younger Larkin s interest in Jung Lawrence Auden and others and examines the famous two voices of his maturity the demotic and the literary Solitude and Sociability An Introduction to the Poetry of Derek Mahon Bleak North Antrim coastlines and a sense of isolation contrast with the warm intellectual companionship of other writers and artists often conjured in Derek Mahon s work This lecture takes an overview of his themes and forms including a look at the conversation he conducts via his many dedicatory and epistolary poems across the time zones Line Women and Song Have women poets brought distinctive approaches to the music and metre of contemporary poetry Adrienne Rich Marilyn Hacker and Ruth Padel provide some of the material examined Can there be a politically radical verse in traditional form Can the English language and ancient imported forms and metres still fruitfully work together This is the fifth book in the Newcastle Bloodaxe Poetry Series
