

# 4 Levels Of Consciousness

Your emotional state of being

## 4. Life happens as me

You know you are free, and of that is that there is no separation between you, your Higher Self and others. You operate from a place of deep connection. Good News is you are in the present moment, being who others say you should be. Others work while you while you are inspired by love to take aligned action.

## 3. Life happens through me

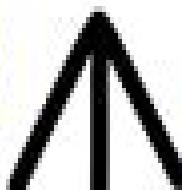

You believe you are here for a reason, a bigger purpose. In touch with your Higher Power and in touch with your intuition, knowing that it will guide you and tell you what to do with your free will.

## 2. Life happens by me

You believe you have control of everything, that you make things happen because you are causing them to happen. You are ambitious and driven.

## 1. Life happens to me

You feel victimized, helpless, and belief that you have no power. Events cause circumstances around things, mainly for reasons why you cannot take charge.
