Mothering the New Mother Sally Placksin, 2000-04-20 You don't have to be alone. Share the experiences, successes, and struggles of many other women before and after childbirth in this all-in-one mothercare guide about family work, the baby, or second or third baby and you. Includes checklists, plan-ahead suggestions, questionnaires, and much more. Drawn from three years of research, the author's own experience, and the candid recollections of many mothers married and single, birth and adoptive, older and younger, the nine chapters in this comprehensive guide cover all aspects of the postpartum experience, including what the new mom should expect when she goes home, what postpartum is and how long it lasts, where to find breastfeeding help, how to ask for help, the new mom's home care options, realistic going-back-to-work options, how to relieve the isolation of at-home mothering, what to say and not to say to family members, and much more.

To Have-- to Hold-- Joyce L. Kieffer, 1992

Life After Birth Diane S. Speier, 2019-04-09 **Life After Birth** may be currently classified as the most authoritative document, the bible about the fourth trimester. Michel Odent MD. Diane's book is a refreshing and wide-ranging look at the all-important and vastly underrated fourth trimester. I hope it's widely read by parents to be well before they encounter the challenges that have been culturally overlooked for so long. John W. Travis MD MPH co-author **Wellness Workbook**. Diane Speier has written a book I wish had been available when I had my three children many years ago. This is a book whose time has come; actually, it has been overdue. I consider her knowledge, her experience, and her research presented with clarity, skill, and compassion as essential information for every woman expecting a baby. I feel privileged to write this foreword. I have known Dr. Speier for about 35 years and have admired her superb programs dealing with the needs of women during pregnancy, birth, and the postpartum period. She has the expertise of not only having lived the experience of parenting herself but has created hundreds of programs for other mothers and families and researched this period of life for her PhD, developing a deep understanding. This book has incorporated a whole new level of information, made palatable, easily taken in, digested, and available to new birthing families. Phyllis Klaus LMFT LMSW. Having a baby is a game-changer. The mix of emotions is intense. Life is exciting and frightening, exhilarating and exhausting, blissful and stressful. Knowing what to expect and how to handle

the changes relieves feelings of anxiety and apprehension so you can feel confident and competent as you optimize your time during the fourth trimester Although the transition to parenthood will transform your lives as individuals and as a couple there s a real gap in practical information on how to successfully steer through the early days and weeks of the postpartum period This book addresses the gap with up to date holistic knowledge and resources for empowering the whole family with a purposeful emphasis on the mother s wellbeing The important topics that are covered include The fourth trimester Hormones Breastfeeding Bonding and attachment The partner relationship Maternity leave going back to work Father s partner s lived experience Life After Birth A Parent s Holistic Guide for Thriving in the Fourth Trimester is the first book to apply energy medicine to the postpartum period with techniques that make it a perfect strategy for managing the energy lows of the fourth trimester These techniques become powerful self care strategies for handling the intense day to day responsibilities of newborn parenting Dr Diane S Speier has been a birth and postpartum professional for 40 years in both the U S and UK starting as a certified childbirth educator and doula in 1978 She is dedicated to helping new mothers move through the postpartum period offering groups workshops and classes for mothers and babies for 20 years Her PhD in Women s Studies University of Manchester UK 2002 was a feminist exploration of women s experience of childbirth Diane is a practicing holistic psychotherapist and hypnotherapist specializing in perinatal psychology perinatal mood and anxiety disorders and recovering from birth trauma Diane is the mother of four children and the grandmother of three grandchildren and step mother and step grandmother and lives in the North West of England *Publishers Weekly* ,1983 **Human Sexuality** Martin Farber,1985 **A New Mother's Home Companion** Paula Elbirt-Bender,Linda Lee Small,1995 Like a friend who knows just what you re going through this beautifully packaged book offers guidance and support for newborn mothers during the first three months of their child s life It is a wonderful mix of essential nitty gritty child care advice and important mother care reassurance and support *Prenatal and Perinatal Psychology and Medicine* Peter Fedor-Freybergh,M.
