The Free Man and the Soldier Ralph Barton Perry, 2015-07-09 Excerpt from The Free Man and the Soldier Essays on the Reconciliation of Liberty and Discipline The sort of truth that is in most danger of getting itself ignored is the whole truth It is usually too monotonously obvious to attract attention too insipid to lend a relish to conversation and too dull to point a paragraph Half truths hold the stage and divide the allegiance of mankind among them Thus instead of agreeing that we are somewhere in the middle of progress with something done and something yet to do opinion is divided between the old and the young between those who believe that the world is rapidly approaching its end and those who believe that it has just begun Optimist and pessimist anarchist and reactionary atheist and bigot feminist and misogynist these are some of the character parts which the human mind admires and loves to assume The present crisis in human affairs has given a fearful urgency to two great human problems First how shall one be secure and yet peaceful About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *The Free Man and the Soldier* Ralph Barton Perry, 1916 *The Free Man and the Soldier; Essays on the Reconciliation of Liberty and Discipline* Ralph Barton Perry, 2022-10-27 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *The Volunteer Army: A Military History Research Collection Bibliography*, 1972 Publication of the special bibliography series of the US Army Military History Research Collection has had the primary purpose of providing information regarding the holdings of the Research Collection to the scholar and historian It must be emphasized that this bibliography is not intended to be a definitive listing of bibliographic references on the subject it is restricted to those materials physically incorporated in the Military History Research Collection at Carlisle Barracks Pennsylvania *The Volunteer Army* US Army Military History Research Collection, John Slonaker, 1972 *The Free Man and the Soldier; Essays on the Reconciliation of Liberty and Discipline - Scholar's Choice Edition* Ralph Barton Perry, 2015-02-19 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact
