The Freedom Stairs Marilyn Weymouth Seguin, 2004-01-01 The Rankin family helped to bring over 2000 slaves to freedom via the Underground Railroad Discover their world through the eyes of Adam the oldest of the Rankin children

*The Freedom Stairs* Marilyn Seguin, 2004 Suppose your sleep was disturbed once or twice a week by a soft rap on the door Perhaps you d have to dress quickly before running to the barn to saddle the horses Then you might have to ride ten miles or so on horseback in the dark with a trembling soul clinging to your back Or perhaps you d be hiding several souls in the wagon you were driving hoping not to hear the sound of pursuing horses What excuse could you give for being out alone in the dark Marilyn Seguin relied on Adam Rankin s autobiography to tell the story of an Ohio family s role in the underground railroad The Rankin family helped more than 2 000 slaves to freedom One of the fugitives was an inspiration for Eliza in Harriet Beecher Stowe s Uncle Tom s Cabin No Ordinary Lives Marilyn Seguin, 2009 The diaries in this collection include the writings of four young people between the ages of twelve and twenty a boy growing up on a lake in Maine a sea captain s daughter a Shaker farm boy and a daughter raised by a single mom What can we discover from these diaries Readers may be surprised for example by the technology available to Delmer Wilson in the Shaker community in 1887 Because all these diaries were produced during the writers developmental years teachers and young readers may find comments about school and growing up issues to be of some interest Young readers will also want to compare teenage life today with that of the past Some teenage girls of today may find that their pastimes don t differ all that much from those of Ethel Godfrey in 1894 And like Augusta Skolfield how many of us have gazed up at a bright moon and thought about that same light shining on loved ones far away Readers will find the personalities themselves of great interest Nat Hathorne f
