## **The Garden Of Eden As An Adam:**

**Adam and Eve in the Garden of Eden** J. Ballmann, 2016-11-13 ADAM AND EVE IN THE GARDEN OF EDEN A BIBLE BASED STUDY CONCERNING FREE WILL HUMAN NATURE AND THE FALL OF MAN presents an extremely insightful and long overdue look into what really happened in the Garden of Eden Using the BIBLE as its irrefutable source this book digs deeply into what the BIBLE actually tells us about the events that occurred there Every school child knows the story of Adam and Eve the fruit the temptation of the serpent and the expulsion from the Garden of Eden The story of what happened in that paradise is often presented as a fairy tale an ancient parable or a story not relevant to the rest of the BIBLE But such misreadings are a mistake for what happened in the Garden of Eden is completely relevant to everyone and this story s underlying message is urgently needed in the world of today more than ever By understanding the lessons learned from Adam and Eve s time with God in the Garden of Eden we can gain clear insights into the nature of free will the essence of what it means to be a human being why our world is in its current state why paradise was lost and perhaps most importantly how paradise can be regained The deeper lessons from the Garden are rarely discussed or even explored and these lessons seem to have been forgotten by most people in the modern age for it does not seem to be understood that woven into this ancient world narrative are golden strands of wisdom that thread themselves into a map that can lead us to eternal treasures of spiritual wisdom and ultimately on a path back to a life and a world that is truly the paradise that God intended us to have Here at last is a book that answers the most difficult questions about this story Why exactly did God create Adam and Eve What beings existed before humans How do we know the serpent was the Devil What methods of deception did the Devil use to trick Adam and Eve Who are the people who were living in Nod when Adam and Eve were expelled from the Garden Who is to blame for the Fall of Man Adam Eve or the Devil Since humans are not perfect did God make a mistake when He made humans Since the Devil is evil did God make a mistake when He created the Devil Why is there so much evil in world What exactly is free will Where is the Garden of Eden Does the Garden still exist Why is this story relevant today Here at last is a book that provides crystal clear definitive answers to each of these perplexing questions The answers to many of these questions will surprise you inspire you and remove any doubts you have ever harbored concerning God s plans for this world and for you In this book s discussions you will find your faith in God and His plan raised to new levels as each of these issues and so much more is addressed definitively by finding the answers that are based on the BIBLE and that are found in the BIBLE for this book is BIBLE based meaning that the BIBLE is the source for the information discussed here Only by sticking to the BIBLE and adhering to a close reading of its actual words can we be certain to attain clarity in our discussion of what is actually said in the BIBLE itself It is the sincere purpose of this book to take a deep look at what really happened in the Garden of Eden and what it means for us today As you read this book the BIBLE is quoted directly and the excerpts under discussion are reprinted in bold not in hard to read italics or red text or in microscopic footnotes for your convenience so you

do not have to close this book and go searching through your BIBLE to find the lines as they are referenced nor do you have to flip around to other pages in this book to locate passages This book focuses on Chapters 2 and 3 of Genesis and these chapters are printed in their entirety within the in depth line by line discussion of the text itself a discussion that will transform your life for the better forever

Derek Neriah Paul,2010-09-21 If you want to understand who you are get to know Adam and Eve They spoke for you They lived for you Most importantly Adam and Eve tell you who you really are You are either a living being or a fallen human being You are one or the other This perception is made clear from the author s discussion on the lessons from Adam and Eve Eve was seeking knowledge while Adam was seeking selfish ambitions In the pre fall Adam and Eve had no sin But each one turned to their own desires to find pleasure and a righteousness of their own in the garden when God them free will and the right of choice During the freedom period in the garden Adam and Eve sinned against God After their fall Adam and Eve attempted to inaugurate a new religion distinct from the religion they had before the fall
