## **The Flying Boy II The Journey Continues:**

**The Flying Boy II**, 2008      **The Anger Solution** John Lee, 2009-08-11 Discover the differences between healthy and harmful anger with John Lee's life changing program. Therapist Lee's proven method will help anyone immediately tap into the causes of their own anger allowing them to get a handle on the emotions that cause stress and pain. Without guilt, shame, embarrassment, resentment, or hopelessness, *The Anger Solution* offers groundbreaking information on controlling rage. Featuring the Detour Method, a practical, easy process that can save relationships, create deeper connections, and dissipate rage, *The Anger Solution* promises to be the next classic in anger management.

*Breaking the Mother-Son Dynamic* John Lee, 2015-08-04 Therapists and the general public are familiar with the terms "mothering helicopter moms" and "boomerang sons" because they have been popularized in films like *Monster in Law*, *Cyrus*, and *Failure to Launch*, but what makes for humorous fodder onscreen depicts a troubling issue that's being played out for real in therapists' offices, bedrooms, and divorce courts across the nation: an epidemic of men who are enmeshed in unhealthy energy sucking and emasculating relationships with their mothers. Even though these men are grown and living away from Mom, her influence has left them unable to fully commit or to fully love, and they are plagued with anger issues, indecisiveness, depression, or toxic stress. In *Breaking the Mother-Son Dynamic*, John Lee takes an eye-opening look at how a mother's love or lack thereof impacts a son's life choices and life partner or lovers. Perhaps you are one of these men, or maybe you recognize these behaviors in the man you love. Do you hold back, swallow, or bottle up things you wish you could say to your mother for fear it would upset or kill her? Did you grow up hearing negative things about men, masculinity, being a male, and how you shouldn't be like the rest of them? Does your mother or did she fail to respect your boundaries as a child, adolescent, or adult? Does your mother keep referring to you as her baby or her little boy even after you became an adult? If you answered yes to any of these questions, you may be caught in an unhealthy mother-son dynamic that is negatively affecting key areas of your life. Several years ago, John Lee wrote what came to be the most authoritative book on why men run from relationships: *The Flying Boy: Healing the Wounded Man*. Here, he visits the mother-son relationship and gently but assertively shows men how to separate from the mother energy that has a massive pull on their hearts and souls, no matter how young or old they may be. In a work that is a combination of memoir, self-help, psychology, recovery, and personal growth, he discovers why a relationship of 50/50 responsibility doesn't work and what does work, how men can stop "sonning" mothers, lovers, and wives, why one must learn his or her own rhythm of closeness, how to be really present to those we love and to life itself, and much, much more. Using case studies, personal stories, and assessments, the book helps men release any anger and grief toward their mothers and teaches them how to take responsibility for their adult selves. Most importantly, Lee provides an understanding of what healthy adults should and shouldn't expect from each other. Lee shows wives and girlfriends how to stop being their man's surrogate mother and shows well-meaning mothers how certain behaviors may perpetuate an unhealthy cycle and how to better relate to their

sons in healthier ways By helping mothers and sons identify this dynamic and providing them with the tools to dismantle it this book will change lives For anyone who is ready to make a clean clear and guilt free separation from the kind of smothering and sonning that just hasn't worked John Lee will show them the way *Growing Yourself Back Up* John Lee, 2010-02-10 Someone pushes your buttons You feel rage fear sweaty palms unbidden tears you feel like a kid We've all experienced moments when we lose control of a situation and ourselves Now in *Growing Yourself Back Up* the first book to explain the idea of emotional regression to the general reader bestselling author John Lee identifies the circumstances that cause these seemingly uncontrollable feelings and shows how they are directly tied to our experience as children No adult explains Lee need ever experience the helpless feelings of childhood again Here are his proven methods and visualization exercises developed in his popular workshops for recognizing preventing and diffusing regression in ourselves and others He teaches for example that adults cannot be abandoned they can only be left if we're feeling abandoned we're regressing He also reminds us that no matter how overwhelmed we are adults always have options if we believe we don't we're in a regression *Growing Yourself Back Up* will show you how to develop strong emotional boundaries and convey them to others learn the Detour Method that reverses regression confront without regressing communicate with the authority figures who push your buttons minimize regression at family functions Lee offers hope as well as practical strategies that work for conquering those childlike feelings of powerlessness that are almost always rooted in regression **A Man's Way through Relationships** Dan Griffin, 2014-07-28 An essential guide to the challenges men face in creating healthy and engaged relationships in all areas of their lives Every idea is presented through the lens of the Man Rules the often unconscious ideas men carry with them into every relationship they have that affect their ability to find true connection *A Man's Way through Relationships* offers practical advice and inspiration for men to define with their partners their own sense of masculinity and thus heighten their potential to love and be loved Dan Griffin excerpts interviews with men who share their innermost lives and experiences with relationships He draws from his own life with over two decades of recovery and ten years of marriage Readers will learn to recognize how their ideas about masculinity have shaped who they are and how they approach their relationships For every man who has wandered through the entanglements of love unwilling to ask for directions and secretly hoping for a guide Dan Griffin offers a clear and comprehensive road map For any man serious about love and any woman who loves him this book is a must *Terrence Real Author of I Don't Want to Talk About It Overcoming the Secret Legacy of Male Depression* *Co-Dependence Healing the Human Condition* Charles Whitfield, 2010-01-01 Of all the books on the often misunderstood concept of co-dependence this is probably the clearest most complete and informative Charles Whitfield is a frontline clinician who has been assisting co-dependents in their healing for over twenty years He has researched the literature on co-dependence which he summarizes in this widely read book He sees co-dependence as a way to more accurately describe the painful and confusing part of the human condition In careful detail he describes just what co
