The Food Of China A Journey For Food Lovers:

The Food of China Deh-Ta Hsiung, 2005 This book is a celebration of one of the world's greatest cuisines. It takes readers on a journey from the Peking duck restaurants of Beijing to the kitchens of Shanghai, the tea gardens of Hangzhou and the dim sum chefs of Hong Kong and reveals the food that defines today's Chinese cooking from the tastiest barbecued spareribs, crispy skin duck and flash-cooked pea sprouts to simple noodles and congee. The Food of China also provides information on Bean curd, Spicy condiments, Banquet food, Unusual sauces, China's teas. About The Food of series: A culinary journey around the world. Each book in The Food of series is a comprehensive introduction to the world's great cuisine. These books feature more than 100 delicious recipes that highlight each country's culinary treasures. With instructive color photographs throughout, each recipe helps readers choose and identify produce from vegetables and flavorings to street snacks, sweets and colorful and exotic fruits. Feature sections explore the essence of each culture's food and cooking techniques. **China's**

Three Gorges, Xi'an and the Terracotta Warriors Simon Foster, Vivien Loughheed, 2009-10-15 This guide is based on our much larger 530-page guide to Bolivia. Here we zero in on La Paz, the capital and all of the nearby attractions. La Paz is not a big city on the world scale but it is certainly one of the more interesting ones. Built in a bowl created by the Choqueyapu River, the upper parts of the city stand 11,645 ft (3,500 m) above the lower sections. Unlike any other city in the world, the richer neighborhoods are located at the lower levels. This is partly due to the fact that it is warmer and easier to breathe at the lower altitudes. Also, the pinnacles and spires of conglomerate rock and clay that have been sculptured by wind and water make a dramatic backdrop for those living below them. The higher up the bowl one goes, the more unstable the land becomes and the more likely a landslide will occur. The plazas, squares and Prado are well kept in La Paz and even in the depth of winter, plants are tended to help make the city attractive. Street cleaners are out every day and local merchants regularly wash the area in front of their shops. On a clear day, Mount Illimani, a snow-covered monolith, can be seen as a sentry towering over the city. Valley of the Moon is six miles (10 km) from the center of La Paz and can be reached by joining a tour or by taking micro bus 11 or minibus 231 or 273 to Mallasilla. The hillside features a maze of clay canyons and pinnacles that have been sculpted by wind and rain. Narrow trails through the landscape take about an hour to walk. There is also a cactus park just before the entrance. The park overlooks a gorge and has paths leading around numerous types of cacti. As you continue up the road, you will come to Parque Nacional Mallasa with its bird observatory and across the road, the zoo area. The road passes under natural stone bridges and past Chulpani's Red Hill. There is no mistaking which hill this is. From Mallasa, one can see across the river to the highest golf course in the world, Devil's Tooth or Muela del Diablo, a huge volcanic plug sticking out of the landscape to a height of 13,000 ft (3,950 m). Several trails go to the right; follow the one that obviously leads to the village. From there, go to the left for 3 miles (about half a kilometer) to the foot of the rock. Climbers are occasionally found on the east face. Canyon de Palca or Valle de Animas is a deep canyon that was carved by the Rio Palca centuries ago.

To get there take a bus going to Huni from Plaza Belzu on Avenida Mexico in San Pedro There are huge pinnacles and wind carved conglomerates The trail continues along the bottom of the canyon to a natural obelisk Just past the obelisk is a rock that has the appearance of a human hiding in a cave The rock is called the hermit of the canyon Continue along the canyon to its end and climb to your left up to the village of Palca This is a long day hike All of the detailed information you need is here about the hotels restaurants shopping sightseeing But we also lead you to new discoveries turning corners you haven't turned before helping you to interact with the world in new ways That's what makes our Adventure Guides unique An excellent addition to the Adventure Guide series packed with detail from where to stay and eat to where to shop for local crafts and how to enjoy historic sites This guide surveys the wildlife and outdoor opportunities of the country which range from tropical jungle to high plains deserts Hiking and viewing opportunities blend with cultural insights Highly recommended The Midwest Book Review **The Food of China** ,2001 Shanghai & Surroundings Travel Adventures Simon Foster,2011-04-15 Eastern China is the country's boom belt and its heart is the Pearl of the Orient Shanghai a city which was recently wonderfully described to me as Hong Kong on steroids Shanghai is the country's most modern city but manages to retain both its Chinese and European history and its economic development is also helping a renaissance in culture and the arts along with a shopping and nightlife scene matched only by Beijing and Hong Kong Around Shanghai the Water Towns have picturesque canals lined with classic Ming architecture and can make for great day trips and a little further out the city of Suzhou offers more of the same albeit on a larger scale along with some of the country's finest gardens and the opportunity for some serious silk shopping Nearly 100 miles south along the Grand Canal the former Southern Song dynasty 1126-1279 capital of Hangzhou is set on pretty West Lake and is a prime tea growing region Away from the lake the city is much like any other Chinese city but the surrounding countryside and its smattering of temples and tea villages make for some excellent bike rides Some 110 miles west of Hangzhou Huangshan is arguably the most beautiful of eastern China's mountains and offers the region's finest scenery and best hiking The mountain's mist shrouded jagged peaks lone pines and perched temples are straight from a watercolor and it's no wonder Huangshan attracts so many visitors But fortunately there are enough paths to ensure you can always find yourself a quiet spot Known as the Pearl of the Orient Shanghai has endured a boom-bust cycle like no other city in China and is a must-see for a glimpse into the China of the future It currently has some 20 million residents A walk along the Bund on the banks of the Huangpu River offers a cityscape to rival Hong Kong's taking in the glory of Shanghai's colonial past while at the same time giving views across the river to the city of tomorrow Pudong Less than 20 years ago this was just marshy farmland but today it boasts countless skyscrapers among them China's highest tower the Pearl Oriental TV Tower and loftiest lodgings the 88 floor Grand Hyatt Traditional Chinese sights are a little sparse due to Shanghai's comparative youth but its colonial and revolutionary history over the past 150 years has left it with a series of significant political buildings What is more there are modern activities aplenty reflecting the city's dynamic and modern

The Food of China Deh-Ta Hsiung, 2001 **Hong Kong & Macau Travel Adventures** Simon Foster, 2011-04-15 Fly into Hong Kong and spend a few days discovering its diverse attractions from shopping in bustling Kowloon to hiking along one of the islands well marked lush trails Eat dim sum downtown and head up Victoria Peak for an after dinner drink to remember Take a boat or a train to Guangzhou and sample yet more Cantonese delights along with some fine colonial architecture maybe stopping off in modern Shenzhen for a peek at the new China From Guangzhou take a bus train or flight to Guilin and spend a day visiting its mountainous and man made attractions The following morning take a boat along the Li River to Yangshuo where you can spend the next few days hiking and cycling through the famed idyllic limestone scenery Head back to Guilin for the return flight to Hong Kong Take the ferry over to Macau and enjoy a day or two soaking up the splendid architecture fine cuisine small fishing villages temples and beaches Whether flying into the vast ultra modern Chek Lap Kok Airport and being whisked into the city center on the hi tech ultra fast Airport Express or arriving by boat at the China Ferry Terminal Hong Kong with its population of seven million never fails to impress You instantly know you're somewhere special particularly the first time you lay eyes on the spectacle of the skyscraper filled island from the Kowloon side After weeks or months on the road in China Hong Kong is the perfect spot for some dining shopping and splurging But if it's the great outdoors you're after there are plenty of hikes and beaches in the territory as well Hong Kong is a place where even the mildest exploration can offer stark contrast and both traditional Chinese and colonial history lurk beneath the city's slick modern exterior Whether swimming in the sea or hiking an island trail to a small shrine through lush tropical undergrowth on one of the outlying islands it's difficult to imagine that the gleaming skyscrapers are only a short boat ride away Forty miles across the water Macau also served its time as a colony and its Portuguese history has engendered a laid back ambiance unique in China which remains to this day despite a recent building boom Walking through the architectural monuments of Macau's stunning historic center you'd easily believe you were in Lisbon were it not for the occasional Taoist temple Conversely a trip out to the islands will take you on a journey into Macau's casino laden future at Cotai and then back to its past amidst the small fishing villages and beaches of yesteryear on Coloane This a highly detailed guide to everything you need to know about Hong Kong Macau and their surroundings the places to stay the restaurants and what to see and do along with an extensive introductory section on China as a whole The author lives in China and has been a tour guide there
