**The Ford Agency** Henry L. Dominguez,1981      *A Pictorial History of Arkansas* Fay Hempstead,1890      **The Automobile in American History and Culture** Michael L. Berger,2001-07-30 This comprehensive reference guide reviews the literature concerning the impact of the automobile on American social economic and political history Covering the complete history of the automobile to date twelve chapters of bibliographic essays describe the important works in a series of related topics and provide broad thematic contexts This work includes general histories of the automobile the industry it spawned and labor management relations as well as biographies of famous automotive personalities Focusing on books concerned with various social aspects chapters discuss such issues as the car s influence on family life youth women the elderly minorities literature and leisure and recreation Berger has also included works that investigate the government s role in aiding and regulating the automobile with sections on roads and highways safety and pollution The guide concludes with an overview of reference works and periodicals in the field and a description of selected research collections The Automobile in American History and Culture provides a resource with which to examine the entire field and its structure Popular culture scholars and enthusiasts involved in automotive research will appreciate the extensive scope of this reference Cross referenced throughout it will serve as a valuable research tool      [Auto Mechanics](#) Kevin L. Borg,2007-06-01 The history of automobiles is not just the story of invention manufacturing and marketing it is also a story of repair Auto Mechanics opens the repair shop to historical study for the first time by tracing the emergence of a dirty difficult and important profession Kevin L Borg s study spans a century of automotive technology from the horseless carriage of the late nineteenth century to the check engine light of the late twentieth Drawing from a diverse body of source material Borg explores how the mechanic s occupation formed and evolved within the context of broad American fault lines of class race and gender and how vocational education entwined these tensions around the mechanic s unique expertise He further shows how aspects of the consumer rights and environmental movements as well as the design of automotive electronics reflected and challenged the social identity and expertise of the mechanic In the history of the American auto mechanic Borg finds the origins of a persistent anxiety that even today accompanies the prospect of taking one s car in for repair      **Horse Trading in the Age of Cars** Steven M. Gelber,2008-10 Gelber s highly readable and lively prose makes clear how this unique economic ritual survived into the industrial twentieth century in the process adding a colorful and interesting chapter to the history of the automobile      **Alfred P. Sloan** John Cunningham Wood,Michael C. Wood,2003 This two volume collection looks at the life and work of Alfred Pritchard Sloan Jr 1875 1966 chief executive of General Motors from 1923 to 1946 whose unique and ahead of its time management style left an indelible mark on business and management studies Also featuring an extensive bibliography this set will prove valuable to business students and researchers alike      **The Vintage Ford** ,2000      [Visual Merchandising](#) Louisa Iarocci,2017-07-05 Situated at the crossroads of visual culture and consumerism this essay collection

examines visual merchandising as both a business and an art It seeks to challenge that scholarly ambivalence that often celebrates the spectacle but denies the agenda of consumerism The volume considers strategies in the imaging of selling from the mid nineteenth century to the present in terms of the visual interaction that occurs between the commodity and the consumer and between body and space Under the categories of Promotion Product and Place contributors to the volume examine the strategies in the presentation of retail goods and environments that range from print advertising to product design to store display and architecture Visual Merchandising The Image of Selling is located directly at the nexus of business practice and cultural myth where the spectator never loses sight of their status as buyer and the object of desire is always still a commodity
