The Foundation

Tobias Bleicker

The Foundation:

Turkish Foundations in Rhodes and Kos Mustafa Kaymakçı, Cihan Özgün, Fırat Yıldız, 2019-10-02 Turks living in the Aegean islands of Rhodes and Kos under Greek sovereignty have a multitude of problems at present. These can be summarized under various headings such as Citizenship, the Right to Education in Turkish, Free Practice of Religion, Environment of Hatred and Oppression, Foundations, Waqfs and Protection of Cultural Heritage Inherited from the Ottoman Turks. Greece has been implementing various policies for the cultural assimilation of Island Turks. Part of cultural assimilation policies adopted by Greece was its actions towards cutting off all ties between the Turkish foundations and island Turks and consequently destroying architectural monuments inherited from the Ottomans. It is known that establishment of the foundations on the islands started with the Ottoman conquest of Rhodes and Kos in 1522. Over the centuries foundations led to the development of a feeling of unity and solidarity among the island Turks. Foundations have provided opportunities for island Turks in important areas from worship services to education and has also contributed to the preservation of common traditions. After the end of the Second World War the island was assigned to the sovereignty of Greece in 1947. Greece started launching a policy for the gradual destruction of Muslim Turkish foundations. Unlike other foundations in Greece, foundations in Rhodes and Kos are subject to heavy taxes in addition to the same property taxes as commercial institutions. On the other hand, the Greek governments compelled the foundations to sell part of their properties by continuously forcing the Foundation Administration to make huge payments. By dwindling the Turkish foundations, Greece has been trying to bring the Turkish presence in Rhodes and Kos to an end. In summary, the Turks living in Rhodes and Kos today are on the brink of losing their Turkishness let alone preserving their cultural identity including foundations. An atmosphere of fear prevails among the island Turks and they feel intimidated. We wish that the book *Turkish Foundations in Rhodes and Kos* will be beneficial to researchers who will conduct studies on this subject and also raise awareness in the international arena on the assimilation policies implemented by Greece.

Private Foundations Bruce R. Hopkins, Jody Blazek, 2014-06-16 Stay updated on the latest tax regulations with this private foundation tax manual. Knowledge of tax regulations surrounding private foundations isn't enough if you're an executive of such an organization or a professional supporting a tax-exempt foundation. Annual changes to IRS rules and increased scrutiny by regulators mean it's necessary for you to keep abreast of myriad changes that come into existence each year. From authors Bruce R. Hopkins and Jody Blazek comes the definitive guide for those responsible for guiding the financial and tax filing operations of private foundations. The complexity of tax regulations related to private foundations extends to a level that is out of proportion to the relatively small number of such entities. Nonetheless, recent statutory requirements that apply solely to private foundations can make untangling filing and reporting activities overly burdensome without a developed knowledge of the underlying theory and practice. To navigate this maze of add-on regulations, Hopkins and Blazek provide background knowledge, in-depth explanations of regulatory changes, and real

world examples to bring as much simplicity to the process as possible Receive guidance from the 2007 Outstanding Nonprofit Lawyer Award recipient Learn about the details of private foundation taxes from leading experts in the field Make use of checklists and sample documents to prepare organizational filings Utilize line by line instructions for completing exemption applications and forms For professionals working closely with private foundations including accountants lawyers and foundation executives Private Foundations Tax Law and Compliance 4th Edition is a welcome resource for keeping your clients or your organization on the right track Brings clarity real world examples and checklists to help professionals deal with the burdensome process of complying with IRS regulations governing private foundations Clarifies the underlying logic behind statutory tax regulations governing private foundations and the practical implications of maintaining compliance Supplemented annually online to keep subscribers up to date on relevant changes in IRS forms requirements and related tax procedures Includes easy to use checklists highlighting such critical concerns as tax exempt eligibility and tax compliance Offers line by line instructions for completing a variety of exemption applications and tax forms li Features sample documents letters of application completed forms and practice aids summarizing the differences between public and private charitable organizations

Philanthropy: Multidisciplinary Perspectives Giulia Neri-Castracane, Giuseppe Ugazio, 2025-05-13 Philanthropy Multidisciplinary Perspectives is a reference for academics and professionals engaged in philanthropy It brings together scholars from fields such as economics finance law philosophy and sociology showcasing the power of a multidisciplinary approach in providing a comprehensive view of this complex subject The book addresses foundational questions in philanthropy and is divided into four parts The first part asks the crucial question of why philanthropy matters exploring the motivations behind giving and how beneficiaries are selected The second part looks at the interaction between business and philanthropy It examines the rise of social enterprises the shift toward purpose driven businesses and the evolution of corporate social responsibility into sustainable enterprises This part also addresses tax considerations that impact philanthropy's ability to scale The book explores the synergies between finance and philanthropy to foster sustainable development and how philanthropy is addressing or could address specific SDGs It concludes with key ingredients for good governance in philanthropy The book tackles major challenges such as diversity compensation and data management while tracing the evolution of best practices in foundation governance It identifies areas for improvement and discusses the relationships between governance in philanthropic organizations and important issues such as trust equality and democracy The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license
