## The Founders

**Stephen Ashwal**

## **The Founders:**

*Beyond the Founders* Jeffrey L. Pasley, Andrew Whitmore Robertson, David Waldstreicher, 2004 In pursuit of a more sophisticated and inclusive American history the contributors to Beyond the Founders propose new directions for the study of the political history of the republic before 1830 In ways formal and informal symbolic and tactile *The Founders of Child Neurology* Stephen Ashwal, 1990

**The Founders and Editors of the Barye Bronzes** J. G. Reinis, Antoine-Louis Barye, 2007

**The Economist**, 1896 *Simple Agreements for Future Equity (SAFE)* Ron van der Meyden, Michael J. Maher, 2025-09-30 This book presents a case study of the development of a smart contract from the analysis of the legal contract to the structural design of the smart contract and implementation on the Ethereum blockchain It identifies approaches to avoid or lessen the impact of pitfalls And it discusses strategies to address the interaction between parties to the smart contract and legal authorities The legal contract that is implemented is the simple agreement for future equity or SAFE which is widely used for financing startup companies The analysis of this contract has the additional advantage that it clarifies issues in the conversion of a SAFE contract to equity that are a source of confusion in practice This book is of interest to anyone in the field of digital finance as well as to venture capitalists and entrepreneurs making use of SAFEs

**Lifecycle of a Technology Company** Edwin L. Miller, Jr., 2008-01-09 Praise for Lifecycle of a Technology Company Lifecycle of a Technology Company is a comprehensive business and legal handbook for all but the most experienced technology entrepreneurs I shared my copy with a few colleagues at MIT who have either started or are contemplating launching their own companies and I had a real problem retrieving it The data supports my opinion that this book will attain handbook status on the desks of technology entrepreneurs Dr George B Kenney Associate Director Materials Processing Microphotonics Centers at MIT This book will help entrepreneurs avoid the pitfalls on the long road to success for venture backed technology companies It distills a lifetime of experience in advising technology companies in a concise and understandable way Howard Berke Serial Entrepreneur and Venture Capitalist Lifecycle of a Technology Company provides a valuable resource for lawyers at a variety of experience levels The junior lawyer will use this resource for the basics More experienced lawyers with a broad practice will use this for a sanity check relative to market terms and business rationale In the trenches it will assist lawyers by providing practical plain speaking explanations for why things operate as they do in the finance intellectual property and merger acquisition segments of the technology world If you expect to represent technology clients keep this book nearby James O Hare Partner Kirkpatrick Lockhart Preston Gates Ellis Boston *The Founders* Jimmy Soni, 2022-02-22 NAMED A BEST BOOK OF 2022 BY THE NEW YORKER National Bestseller New York Times Editors Choice Financial Times Books to Read in 2022 A SABEW BEST IN BUSINESS BOOK AWARDS FINALIST A gripping account of PayPal's origins and a vivid portrait of the geeks and contrarians who made its meteoric rise possible The Wall Street Journal including Elon Musk Amy Rowe Klement Peter Thiel Julie Anderson Max Levchin Reid Hoffman and many others whose

stories have never been shared Today PayPal's founders and earliest employees are considered the technology industry's most powerful network Since leaving PayPal they have formed funded and advised the leading companies of our era including Tesla Facebook YouTube SpaceX Yelp Palantir and LinkedIn among many others As a group they have driven twenty first century innovation and entrepreneurship Their names stir passions they're as controversial as they are admired Yet for all their influence the story of where they first started has gone largely untold Before igniting the commercial space race or jumpstarting social media's rise they were the unknown creators of a scrappy online payments start up called PayPal In building what became one of the world's foremost companies they faced bruising competition internal strife the emergence of widespread online fraud and the devastating dot com bust of the 2000s Their success was anything but certain In *The Founders The Story of PayPal and the Entrepreneurs Who Shaped Silicon Valley* award winning author and biographer Jimmy Soni explores PayPal's turbulent early days With hundreds of interviews and unprecedented access to thousands of pages of internal material he shows how the seeds of so much of what shapes our world today fast scaling digital start ups cashless currency concepts mobile money transfer were planted two decades ago He also reveals the stories of countless individuals who were left out of the front page features and banner headlines but who were central to PayPal's success Described as an intensely magnetic chronicle *The New York Times* and engrossing *Business Insider* *The Founders* is a story of iteration and inventiveness the products of which have cast a long and powerful shadow over modern life This narrative illustrates how this rare assemblage of talent came to work together and how their collaboration changed our world forever

**The Electrician** ,1886 *Diversity, Conformity, and Conscience in Contemporary America* Bradley C. S. Watson,2019-02-19 America is a nation that celebrates diversity and freedom of conscience Yet as Alexis de Tocqueville observed democratic times often demand conformity Nowadays conformity might be enforced in the name of diversity itself and go so far as to infringe on the rights of conscience expression association and religious freedom Americans have recently been confronted by this paradox in various ways from federal health care mandates to campus speech codes to consumer boycotts to public intimidation to vexatious litigation to private corporations dismissing employees for expressing certain political views In this book Bradley C S Watson brings together leading thinkers from a variety of disciplines to examine the manner and extent to which conformity is demanded by contemporary American law and social practice Contributors also consider the long term results of such demands for conformity for the health and even survival of a constitutional republic

*Entrepreneurship in Family Business* Henry X Shi,2014-02-20 This book presents an excellent analysis of how a family business is different from other forms of organization and especially its peculiarities in relation to entrepreneurship Focusing on small and medium sized second generation Chinese family businesses this book provides an in depth analysis on the relationship between the firms family attributes or familiness as conceptualized in this book and entrepreneurial processes which leads to different outcomes Eight cases from China are presented in this book and a dual level approach is proposed

for research on entrepreneurship in family businesses emphasising both firm processes and the role of individual owner managers Readers will also find several useful policy and practice oriented perspectives in this book **Strategic Entrepreneurial Finance** Darek Klonowski,2014-11-27 Entrepreneurial finance is a discipline that studies financial resource mobilization resource allocation risk moderation optimization in financial contracting value creation and value monetization within the context of entrepreneurship However without proper strategic consideration the discipline is incomplete This book examines how the activity of entrepreneurial finance can be enhanced via a concentration on value creation and through improved strategic decision making The most unique feature of the book is its focus on value creation For entrepreneurs value creation is not a one off activity but rather a continuous cycle of incremental improvements across a wide range of business activities Entrepreneurial value creation is described in four comprehensive stages value creation value measurement value enhancement and value realization referred to as the C MER model This book focuses on what creates value rather than merely presenting value creation in a straight accounting framework At the same time deliberate and tactical planning and implementation ensure that the firm does not ignore the components necessary for it to survive and flourish Vigorous strategic deliberations maximize the entrepreneurial firm s chances of making the right business decisions for the future enable the firm to manage its available financial and non financial resources in the most optimal manner ensure that the necessary capital is secured to progress the development of the firm to its desired development level and build value While financial considerations are important the field of strategic entrepreneurial finance represents a fusion of three disciplines strategic management financial management and entrepreneurship This orientation represents a natural evolution of scholarship to combine specific domains and paradigms of naturally connected business disciplines and reflects the need to simultaneously examine business topics from different perspectives which may better encapsulate actual entrepreneurial practices

**Poultry Genetics, Breeding and Biotechnology** W.M. Muir,S.E. Aggrey,2003 Annotation In this comprehensive research book issues associated with poultry breeding are addressed by examining quantitative and molecular genetics and the uses of transgenic technology The important area of disease resistance and transmission is also covered in a special section looking at the genetics of disease resistance This book represents the first complete integration of our current knowledge of biotechnology and quantitative and molecular genetics as applied to poultry breeding
