Communications Larry Percy,2008-06-20 This exciting and comprehensive new textbook deals with all aspects of integrated marketing communication from a strategic perspective Integrated Marketing Communications is planning in a systematic way to determine the most effective and consistent message for appropriate target audiences The book shows clearly that this is rarely achieved in organisations where the needs of the brand can become lost in managerial needs to pursue IMC budgets i e the share of the internal pie is more important than the external impact It demonstrates that IMC is not just the utilisation of multiple communications options in a campaign but depends on Effective brands having the right positioning and brand attitude The use of IMC to ensure that that all aspects of the brand communications reinforce the brand message consistently That IMC is ensures that all marketing communications for brands also support the company s overall identity image and reputation     *A History of the Jesuits in Zambia* Edward P. education system are all corrupted by the Left to control the nation's youth. Parents who seek to protect their children from the devious deception of a liberal agenda will find this book to be a practical guide to push back against the Liberal efforts designed to reshape our kids worldview and destroy their moral compass. Steve Feazel and Dr Carol Swain ring a warning bell for all parents to heed who want their children to embrace and cherish traditional values and moral living that will allow them to live happy and productive lives. The book reveals the dangers of a relative morality while providing practical action steps that parents can take to prevent their children from becoming conformed to the secular pattern of the world. Tim Wildmon President of American Family Association I thank God for Carol Swain. Very few people are willing to see much less say what she and Steve Feazel say in this tremendously important book. It is disturbing but it is true so it is up to us to see it for ourselves and help others to do the same. Please spread the word. Eric Metaxas New York Times Bestselling author of Bonhoeffer and If You Can Keep It The Forgotten Promise of American Liberty Everywhere we turn from our schools to Hollywood to the media to the courts children's minds and souls are being usurped by the radical secular Left. Carol Swain and Steve Feazel tackle the immoral architects of the New Morality in this trenchant and timely book and show parents how to fight back.
