# REPUBLICANISM AND THE FRENCH REVOLUTION

AN INTELLECTUAL HISTORY  
OF JEAN-BAPTISTE SAY'S  
POLITICAL ECONOMY

*Richard Whatmore*

# The French Revolution And Intellectual History

**Jonathan Israel**

## **The French Revolution And Intellectual History:**

**Revolution** Enzo Traverso, 2024-04-30 Brilliant and beautiful Now this book exists it's hard to know how we did without it China Miéville author of *October* A cultural and intellectual balance sheet of the twentieth century's age of revolutions This book reinterprets the history of nineteenth and twentieth century revolutions by composing a constellation of dialectical images Marx's locomotives of history Alexandra Kollontai's sexually liberated bodies Lenin's mummified body Auguste Blanqui's barricades and red flags the Paris Commune's demolition of the Vendôme Column among several others It connects theories with the existential trajectories of the thinkers who elaborated them by sketching the diverse profiles of revolutionary intellectuals from Marx and Bakunin to Luxemburg and the Bolsheviks from Mao and Ho Chi Minh to José Carlos Mariátegui C. L. R. James and other rebellious spirits from the South as outcasts and pariahs And finally it analyzes the entanglement between revolution and communism that so deeply shaped the history of the twentieth century This book thus merges ideas and representations by devoting an equal importance to theoretical and iconographic sources offering for our troubled present a new intellectual history of the revolutionary past

**The French Revolution and Intellectual History** Jack Richard Censer, 1989-01-01 **Revolutionary Ideas** Jonathan Israel, 2015-09-22 Historians of the French Revolution used to take for granted what was also obvious to its contemporary observers that the Revolution was caused by the radical ideas of the Enlightenment Yet in recent decades scholars have argued that the Revolution was brought about by social forces politics economics or culture almost anything but abstract notions like liberty or equality In *Revolutionary Ideas* one of the world's leading historians of the Enlightenment restores the Revolution's intellectual history to its rightful central role Drawing widely on primary sources Jonathan Israel shows how the Revolution was set in motion by radical eighteenth century doctrines how these ideas divided revolutionary leaders into vehemently opposed ideological blocs and how these clashes drove the turning points of the Revolution *Revolutionary Ideas* demonstrates that the Revolution was really three different revolutions vying for supremacy a conflict between constitutional monarchists such as Lafayette who advocated moderate Enlightenment ideas democratic republicans allied to Tom Paine who fought for Radical Enlightenment ideas and authoritarian populists such as Robespierre who violently rejected key Enlightenment ideas and should ultimately be seen as Counter Enlightenment figures The book tells how the fierce rivalry between these groups shaped the course of the Revolution from the Declaration of Rights through liberal monarchism and democratic republicanism to the Terror and the Post Thermidor reaction In this compelling account the French Revolution stands once again as a culmination of the emancipatory and democratic ideals of the Enlightenment That it ended in the Terror represented a betrayal of those ideas not their fulfillment book jacket **French Political and Intellectual History** Samuel Bernstein, In this collection of remarkable essays initially published in 1955 and now available in paperback for the first time Samuel Bernstein elucidates the meaning of human striving for improvement with regard to the problems raised by one of the most turbulent periods of

history Written with profound conviction and literary acumen these essays will give the reader in the author s words a sense of a kinship of ideas and the mutual sympathies of peoples in matters concerning human betterment These essays represents the fruits of twenty years of careful research in the political and intellectual history of the Atlantic civilization particularly as it relates to the leading movements and men of France Bernstein s expert knowledge of the history of political movements and social policies places him among the ranking authorities in that field Contents Marat Friend of the People Robespierre and the Problem of War British Jacobinism Jefferson on the French Revolution Babeuf and Babouvism Saint Simon s Philosophy of History From Social Utopia to Social Science French Democracy and the American Civil War The First International in France 1964 1871 The Paris Commune The American Press Views the Commune The First International and a New Holy Alliance *Palgrave Advances in Intellectual History* R. Whatmore,B. Young,2006-05-26 The past three decades have seen a remarkable growth of interest in intellectual history and this book provides the first comprehensive survey of recent research in this field Each chapter considers developments in intellectual history and shows the ways intellectual historians have contributed to more established disciplinary enquiries *A Companion to Intellectual History* Richard Whatmore,Brian Young,2015-11-06 *A Companion to Intellectual History* provides an in depth survey of the practice of intellectual history as a discipline Forty newly commissioned chapters showcase leading global research with broad coverage of every aspect of intellectual history as it is currently practiced Presents an in depth survey of recent research and practice of intellectual history Written in a clear and accessible manner designed for an international audience Surveys the various methodologies that have arisen and the main historiographical debates that concern intellectual historians Pays special attention to contemporary controversies providing readers with the most current overview of the field Demonstrates the ways in which intellectual historians have contributed to the history of science and medicine literary studies art history and the history of political thought Named Outstanding Academic Title of 2016 by Choice Magazine a publication of the American Library Association **Republicanism and the French Revolution** Richard Whatmore,2023 This volume reassesses Say s political economy by locating the author s ideas amidst the intellectual upheavels of the Ancien R gime and revolutionary France **Studies in French Cultural and Intellectual History** Lauren S. Bernard,1998 *Intellectual History* Daniel R. Woolf,1989 **The French New Left** Arthur Hirsh,1981 **The French Revolution, 1789-1989** Sandy Petrey,1989 A special issue of the Eighteenth century theory and interpretation *Intellectual History Newsletter* ,1996 **What is Intellectual History?** Richard Whatmore,2016-05-18 What is intellectual history Those who practice intellectual history have described themselves as eavesdroppers upon the conversations of the past explorers of alien ideological worlds and translators between historic societies and our own while their critics have often derided them as narrow minded studying the ideas of dead white men Some consider the discipline to be among the most important in the humanities and social sciences because it facilitates a better understanding of contemporary ideological programmes and facilitates their rational

evaluation In this engaging and refreshing introduction to the field Richard Whatmore begins by examining the historical development of intellectual history before dissecting its various methodological debates He presents various alternative ways in which we should think about intellectual history as well as presenting his own very clear definition of the field Drawing on a wide range of historical examples Whatmore shows how ideas philosophical political religious scientific artistic originated in their historical context and how they were both shaped by and helped to shape the societies in which they originated He ends by casting a critical eye over the current state of intellectual history and a brief discussion of how it might develop in the future What is Intellectual History will become an essential textbook for scholars and students of intellectual history philosophy politics and the humanities

French Political and Intellectual History Samuel Bernstein, 1955 In this collection of remarkable essays initially published in 1955 and now available in paperback for the first time Samuel Bernstein elucidates the meaning of human striving for improvement with regard to the problems raised by one of the most turbulent periods of history Written with profound conviction and literary acumen these essays will give the reader in the author's words a sense of a kinship of ideas and the mutual sympathies of peoples in matters concerning human betterment These essays represent the fruits of twenty years of careful research in the political and intellectual history of the Atlantic civilization particularly as it relates to the leading movements and men of France Bernstein's expert knowledge of the history of political movements and social policies places him among the ranking authorities in that field Contents Marat Friend of the People Robespierre and the Problem of War British Jacobinism Jefferson on the French Revolution Babeuf and Babouvism Saint Simon's Philosophy of History From Social Utopia to Social Science French Democracy and the American Civil War The First International in France 1964 1871 The Paris Commune The American Press Views the Commune The First International and a New Holy Alliance

The University of Kansas; a History Clifford Stephen Griffin, 1974 Here is a thorough assessment of the development of the University of Kansas during its first century Clifford S Griffin traces the University from little more than a high school or preparatory school to a college and then to a major institution No mere chronicle of the University's triumphs and progress this book gives equal attention to the many disappointments and frustrations over the years Griffin concerns himself not only with the physical growth of the institution but with the nature of the University's goals and character as well From John Fraser to W Clarke Wescoe each Chancellor of the University of Kansas faced unique problems in shaping the destiny of the ever expanding institution They struggled with the perils of an unstable economy enrollment crises departmentalization disagreements with faculty and regents disputes over open admission and the importance of scholarly research demands for higher salaries and alteration of the curriculum and even grasshopper plagues Each administration competed for legislative appropriations status and public support Anyone who has been associated with the University will find in this history many of the things he remembers best its social organizations athletic contests student pranks class feuds and campus politics Colorful Mount Oread personalities are described leaders scholars politicians and

benefactors Thirty six photographs trace different phases of the University s growth Even those individuals well informed concerning the history of the University will learn much about its past and its potential for the future In addition Griffin explores ideas about the purposes and practices of higher education including the concept of the American state university as a servant of society In many respects the development of the University paralleled the growth of the state itself this book is therefore a valuable contribution to the cultural and intellectual history of the nineteenth and twentieth centuries in Kansas

### **The French Revolution And Intellectual History Introduction**

In the digital age, access to information has become easier than ever before. The ability to download The French Revolution And Intellectual History has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The French Revolution And Intellectual History has opened up a world of possibilities. Downloading The French Revolution And Intellectual History provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The French Revolution And Intellectual History has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The French Revolution And Intellectual History. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The French Revolution And Intellectual History. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The French Revolution And Intellectual History, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of

the websites they are downloading from. In conclusion, the ability to download The French Revolution And Intellectual History has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About The French Revolution And Intellectual History Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The French Revolution And Intellectual History is one of the best book in our library for free trial. We provide copy of The French Revolution And Intellectual History in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The French Revolution And Intellectual History. Where to download The French Revolution And Intellectual History online for free? Are you looking for The French Revolution And Intellectual History PDF? This is definitely going to save you time and cash in something you should think about.
