relationship between the two writers has prompted much speculation by biographers especially Lyndall Gordon in her 1998 book *A Private Life of Henry James* Woolson's most famous story *Miss Grief* has been read as a fictionalization of their friendship though she had not yet met James when she wrote it. Recent novels such as Emma Tennant's *Felony* 2002 David Lodge's *Author Author* 2004 and Colm Toibin's *The Master* 2004 have treated the still unclear relationship between Woolson and James. Woolson published her first novel *Anne* in 1880 followed by three others *East Angels* 1886 *Jupiter Lights* 1889 and *Horace Chase* 1894. In 1883 she published the novella *For the Major* a story of the postwar South that has become one of her most respected fictions. In the winter of 1889-1890 she traveled to Egypt and Greece which resulted in a collection of travel sketches *Mentone Cairo and Corfu* published posthumously in 1896. In 1893 Woolson rented an elegant apartment on the Grand Canal of Venice. Suffering from influenza and depression she either jumped or fell to her death from a window in the apartment in January 1894. Two volumes of her short stories appeared after her death *The Front Yard and Other Italian Stories* 1895 and *Dorothy and Other Italian Stories* 1896. She is buried in the Protestant Cemetery in Rome. This is a high quality book of the original classic edition. It was previously published by other bona fide publishers and is now finally back in print. This is a freshly published edition of this culturally important work which is now at last again available to you. Enjoy this classic work. These few paragraphs distill the contents and give you a quick look inside.

WELL now with Gooster at work in the per dairy and Bepper settled at last as help in a good family and Parlo and Squawly gone to Perugia and Soonter taken by the nuns and Jo Vanny learning the carpenter's trade and only Nounce left for me to see to let alone. Granmar of course and Pipper and old Patro it doos seem it really doos as if I might get it done sometime say next Fourth of July now that's only ten months off. She woke from her reverie rebuckled the straps of the basket and adjusting it by a jerk of her shoulders in its place on her back she took the fagot in one hand the bundle of herbs in the other and carrying the sickle under her arm toiled slowly up the ascent going round the cow shed as the interrupted path too went round it in an unpaved provisional sort of way which had however lasted fifty years and giving a wave of her herbs towards the offending black door as she passed a gesture that was almost triumphant. Granmar would not allow it to be moved elsewhere her bed had always been in the kitchen and in the kitchen it should remain no one but Denza indeed would wish to shove her off. Annunziata had liked to have her dear old granmar there where she could see for herself that she was having everything she needed but Annunziata had been an angel of goodness as well as of the dearest beauty whereas Denza but any one could see what Denza was.

Woolson,2019-01-19 Constance Fenimore Woolson was the great niece of James Fenimore Cooper and a close friend and correspondent of Henry James A successful short story and novel writer Woolson was one of the local color or American literary regionalism authors popular in late nineteenth century America She travelled a great deal through America and Europe where she gathered material for her works Woolson s stories focus on character dialects customs and landscape that are unique to a region Her tales are often imbued with a sense of nostalgia for a world not yet in step with the modern world of development

**Constance Fenimore Woolson: Collected Stories (LOA #327)** Constance Fenimore

Woolson,2020-02-04 A landmark of literary recovery the first major edition of an overlooked genius who in her lifetime was considered 19th century America s greatest woman writer In the eyes of her contemporaries Constance Fenimore Woolson 1840 1894 ranked with George Eliot as one of the two greatest women writers of the English language She wrote fiction of remarkable intellectual power that outsold those of her male contemporaries Henry James and Willian Dean Howells James enshrined memories of his long complicated friendship with Woolson in *The Beast in the Jungle* and *The Wings of the Dove* and more recently Colm Tobin treated the relationship in his novel *The Master* But Woolson s close association with James and her likely suicide in Venice have tended to overshadow her own literary accomplishments pigeonholing her as a martyr to the male literary establishment This volume the most comprehensive gathering of Woolson s stories to date represents the culmination of decades of recovery work done by scholars and puts the focus back on the work where it belongs Set variously in the Great Lakes region the post Civil War South and Europe Woolson s short stories often concern outsiders of one kind or another prophets and misfits living in remote landscapes uneducated coal miners impoverished spinsters neglected nuns a haunted caretaker of the dead destitute southerners and female artists driven to extreme behavior as they seek the admiration or approval of established male critics or writers Woolson s minute realism captures both the social texture of her time and the inner emotional lives of these overlooked and marginalized characters Most of all her writings startle us with their simmering intensity their sensual descriptions of the environment and refusal to smooth out the ambiguities and tensions that inevitably result from human efforts to communicate and connect Her fiction is deeply human resonating with a power across the centuries that makes them remarkably modern for today s readers

*Constance Fenimore Woolson and Edith Wharton* Sharon L. Dean,2002 She argues that for both writers the manner in which they saw and transcribed

landscape informed their ways of seeing themselves as artists Full of fresh insights into the literary achievements of both Woolson and Wharton Dean s book will also prompt readers to reconsider their own responses and obligations to landscape and how those responses are shaped by their experiences and by larger cultural forces

New Faces Myra Kelly,2019-12-16 In New Faces Myra Kelly crafts a compelling collection of short stories that delve into the lives of immigrant families navigating the complexities of identity and belonging in the early 20th century America

Featuring richly drawn characters and vivid evocative prose Kelly captures the struggles and triumphs of her protagonists with a keen sense of empathy and social realism

Set against the backdrop of rapidly changing societal norms this work reflects the multicultural tapestry of America emphasizing the often overlooked narratives of marginalized communities during this transformative period

Myra Kelly an influential early 20th century writer was herself the daughter of immigrants which profoundly shaped her literary voice

Born in 1876 and often associated with the burgeoning social realism movement Kelly sought to illuminate the lives of those on the periphery of society lending them a voice in an era that frequently silenced their experiences

Her own encounters with cultural displacement and assimilation inform the nuanced portrayals and psychological depth of her characters in New Faces

This collection is highly recommended for readers interested in historical fiction that explores themes of immigration identity and social justice

Kelly s poignant storytelling not only broadens our understanding of American history but also enriches our appreciation for the diverse narratives that shape our collective memory

New Faces invites readers to witness the resilience of the human spirit making it a must read for both literary enthusiasts and social historians alike
