ALEXANDER POSEY

A Creek Humorist in Early Oklahoma

Edited by Daniel F. Littlefield Jr. and Carol A. Petty Hunter

The Fus Fixico Letters A Creek Humorist In Early Oklahoma

O García

The Fus Fixico Letters A Creek Humorist In Early Oklahoma:

The Fus Fixico Letters Alexander Lawrence Posey, 1993-01-01 Alexander Posey 1873 1908 was the most accomplished Indian writer of his day and one of the most important in American history. A well known lyric poet, journalist and political humorist in the Creek Nation his literary works excited admiration and envy beyond the Indian Territory and throughout the country. His most significant contribution to literature is the body of humorous articles now called The Fus Fixico Letters. In 1902 in the Indian Journal his newspaper Posey introduced his most beloved persona Fus Fixico or in English Heartless Bird an alleged conservative Snake Creek. Until Posey's death in 1908 Fixico retailed his conversations with his friends Hotgun and Toofpafka Micco conveying their points of view about Indian politics the prospects for an Indian state joining the Union the irresponsibility of distant newspapers that reported on Indian events without stepping a foot from the road and many other topics. This collection is especially timely since very little is known or appreciated about American Indian literature prior to the 1960s. A labor of years it has taken uncommon diligence to find and annotate the letters some of which now exist in a single fragile copy of the Indian Journal. There are 72 letters in all.

Indigenous Intellectuals Kiara M.

Vigil, 2015-07-15 In the United States of America today debates among and within Indian nations continue to focus on how to determine and define the boundaries of Indian ethnic identity and tribal citizenship. From the 1880s and into the 1930s many Native people participated in similar debates as they confronted white cultural expectations regarding what it meant to be an Indian in modern American society. Using close readings of texts, images and public performances this book examines the literary output of four influential American Indian intellectuals who challenged long held conceptions of Indian identity at the turn of the twentieth century. Kiara M. Vigil traces how the narrative discourses created by these figures spurred wider discussions about citizenship, race and modernity in the United States. Vigil demonstrates how these figures deployed aspects of Native American cultural practice to authenticate their status both as indigenous peoples and as citizens of the United States.

Indigenous Pop Jeff Berglund, Jan Johnson, Kimberli Lee, 2016-03-10 This book is an interdisciplinary discussion of popular music performed and created by American Indian musicians providing an important window into history, politics and tribal communities as it simultaneously complements literary historiographic, anthropological and sociological discussions of Native culture. Provided by publisher

Winds of Change, 2002

Chinnubbie and the Owl

Alexander Lawrence Posey, 2005 Though he died at the age of thirty four the Muscogee Creek poet, journalist and humorist Alexander Posey 1873 1908 was one of the most prolific and influential American Indian writers of his time. This volume of nine stories, five orations and nine works of oral tradition is the first to collect these entertaining and important works of Muscogee literature. Many of Posey's stories reflect trickster themes his orations demonstrate both his rhetorical prowess and his political stance as a Progressive Muscogee and his works of oral tradition reveal his deep cultural roots. Most of these pieces which first appeared between 1892 and 1907 in Indian Territory newspapers and magazines have since

become rarities many of the original pieces surviving only as single clippings in a few archives While Muscogee oral tradition greatly influenced Posey s prose his work was also infused with the Euro American influences that formed much of his literary education As this collection demonstrates Posey used his knowledge of Euro American literature and history to help write works that championed his own people at a time of profound oppression at the hands of the United States government Posey s vivid literary style merges rich regional humor with Muscogee oral tradition in a way that makes him a unique figure in American Indian literature and politics Chinnubbie and the Owl brings these works of great literary cultural and historical value to a new generation of readers *American Indian Culture and Research Journal*, 2005 *Perspectives*, 2002 *Art as Performance, Story as Criticism* Craig S. Womack, 2009 Pick up a work of typical literary criticism and you know what to expect prose that is dry pedantic well meaning but tedious slow going and essentially humorless But why should that be so Why can t more literary criticism have a political edge and be engaging and fast paced Why can t it include drama personal narrative and even humor Why can t criticism become an artistic performance rather than just a discussion of art Art as Performance Story as Criticism is Craig Womack s answer to these questions Inventive and often outrageous the book turns traditional literary criticism on its head rejecting distanced purely theoretical argumentation for intimate engagement with literary works Focusing on Native American literature Womack mixes forms and styles He is unafraid to combine meticulous research and carefully considered historical perspectives with personal reactions and reflections The book opens with a short story The Song of Roe N Id in which a Native filmmaker loses control of his movie project in part because of his homoerotic attraction to its star The following chapters or mus e ings include original dramas while others more closely resemble traditional literary criticism such as essays discussing the lesser known plays of Lynn Riggs and the stories of Durango Mendoza Still other chapters defy easy categorization such as the piece Caught in the Current Clinging to a Twig in which Womack interweaves historical analysis of the state of the Creek Nation in 1908 with a vivid recreation of the last day on earth of Creek poet Alexander Posey Throughout the book the author offers his take on such controversial issues as the Cherokee freedmen issue and the ban on gay marriage In being different Womack seeks to breathe new life into literary analysis and introduce criticism to a wider audience Radical groundbreaking and refreshing Art as Performance Story as Criticism reinvents literary criticism for the twenty first century *Western American Literature*, 2015 *Southern Studies*, 2020 An interdisciplinary journal of the South *American Book Publishing Record*, 2002 *Studies in American Indian Literatures*, 2004 *Reference Encyclopedia of the American Indian* Barry T. Klein, 2005 *Studies in American Humor*, 2000 *American Indian Literature* Kimberly Wieser-Weryackwe, 2025-07-10 Discover the essential people works movements and themes in American Indian literature American Indian literature is a varied and vibrant collection of Indigenous artistic expression American Indian novelists poets essayists and critics have over the last four centuries asserted powerful forms of intellectual and artistic sovereignty writing in English while building on discrete tribal oral traditions and

forms of storytelling This encyclopedia introduces readers to the key historical and contemporary figures in American Indian literature and their defining works From the fiery sermons of Methodist minister William Apess to the Pulitzer Prize winning novel House Made of Dawn by N Scott Momaday to the critically acclaimed and commercially successful novels of Louise Erdrich this book illustrates the indelible and influential imprint American Indians have on the landscape of American letters Readers are also introduced to the key themes and context of American Indian literature exploring how it is inextricable from American literary history the American literary canon and the narrative of American history not on the fringes of the American experience but central to it

Chronicles of Oklahoma James Shannon Buchanan,2001 **The Heath**

Anthology of American Literature Paul Lauter,1994 American Journalism ,1997 *The Oxford Encyclopedia of American Literature* Jay Parini,2004 The Encyclopedia of American Literature gathers together 350 essays from over 190 leading scholars on the whole of American literature from European discovery to the present At the core of the Encyclopedia lie 250 essays on poets playwrights essayists and novelists Figures such as Whitman Melville Faulkner Frost and Morrison are discussed in detail with each examined in the context of his or her times an assessment of the writer's current reputation a bibliography of major works and a list of major critical and biographical works about the writer Fifty entries on major works such as Moby Dick Song of Myself Walden The Great Gatsby The Waste Land Their Eyes Were Watching God Death of a Salesman and Beloved place the work in its historical context and offer a range of possibilities with regard to critical approach The Encyclopedia also contains essays on literary movements periods and themes pulling together a broad range of information and making connections between them Each entry has its own primary and annotated secondary bibliography and a system of cross references helps readers locate information with ease The Encyclopedia of American Literature is an outstanding reference source for students studying authors or particular pieces of literature libraries looking for one comprehensive source and readers interested in American literature its authors and its connection with various areas of study
