The Game Must Go On John Klima, 2015-05-05 A sweeping study of American baseball during World War II from the players who enlisted to their replacements and the overall effects on the game On December 7 1941 as the battleships in Pearl Harbor smoldered one of the most powerful athletes in America Detroit Tigers MVP Hank Greenberg made a tumultuous decision to leave the baseball field for the field of war His decision left baseball's place during the war uncertain as more and more ballplayers famous and unknown alike put off their careers to go into the fight President Franklin Roosevelt was faced with a difficult decision stop all professional baseball for the good of the victory but in doing so risk losing a vital part of morale He decided that whatever it took the game must go on This is the story of American baseball during World War II of both the players who left to join the war and the ones who struggled to keep the game alive on the home front Taking the place of the big shots turned soldiers sailors and combat pilots were misfit replacement players While Greenberg represented the player who served Pete Gray symbolized the player who stayed He was a one armed outfielder who overcame insurmountable odds to become a professional John Klima drops us straight into 1941 to 1945 Culminating in the 1945 pennant race where Greenberg and Gray's paths memorably crossed Klima's story shows us how World War II made the country come of age and took baseball with it This is the story of how the games we play changed because of the battles we fought Broad omniscient brush strokes to look at the players who departed the impact on the game they left behind and how it was connected to the fighting overseas A comprehensive look at the connection between our national pastime and the serious business of battle with insights for fans and historians alike Paul Hagen MLB.com A wonderful tribute to all who served Dallas Morning News Well researched and well written this work is a rarity when it comes to books about World War II and baseball Fans of the game and World War II buffs will be more than pleased with Klima's account Library Journal

The Game Must Go On B. W. Wojciechowski, 2004 Jim Brown has a lot to say His first book JUSTICE DENIED painted a chilling picture of how easy it can be for an individual to be prosecuted and persecuted by the federal judicial system Since this first publication he has continued his writings with a weekly column that is widely read in newspapers and internet sites throughout the South Few southern writers have observed the struggles within Louisiana to catch up with other more progressive states throughout the country That is because Jim Brown not only has witnessed the changes taking place he was a part of the political process for twenty eight years His insights bring practical wisdom for the present and a vision of what could be in the future for this deepest of the deep southern states His observations and conclusions in are not just limited to within Louisiana And that is the joy of this collection of columns Jim Brown takes the reader on a whirlwind tour of the world from Bangkok to Paris from the D Day landing site in France to St Paul's cathedral in London and a drive across America all with a Louisiana flavor And yes he does have an agenda Whether you read his opinions on political issues and current affairs to personal revelations there will never be any doubt of Jim Brown's point of view And

that we hope you will agree is refreshing in this day and time But besides being a respected observer of the political scene in Louisiana Jim Brown s ideas are what really matter Yes he entertains inspires and informs and does so by cutting through the fog of confusion as to the future of the Bayou State His lessons have appeal and application throughout America and that is why his following continues to grow    **New Games for Parlor and Lawn** George Bradford Bartlett,1882    *The American Domestic Cyclopædia* ,1890    **The Saturday Review of Politics, Literature, Science and Art** ,1879    **The Living Age** ,1886    *The Herald of Health* ,1887    *Cobbett's Parliamentary Debates* Great Britain.
