The Power of Love - A Tale of Time Ross J. Kinnaird, 2024-06-20 Evil even the most terrifying is often born from the seeds of previous malevolence We can observe it judge it fight against it but deep down we acknowledge in the quiet recesses of our hearts that we have played a part in its creation shaping it into our greatest adversary A Tale of Time serves as the prequel to The Power of Love The One Set in a remote corner of the universe Runae enjoys the protection of the God of Time This seemingly fragile planet has defiantly resisted the looming threat of the King of Emptiness Nothing As The Power of Love Trilogy unfolds while Time confronts the enemy head on a subtle menace brews within the confines of his safeguarded world From the downfall of the human kingdom to the rise of the Crimson Queen the journey of a lifetime commences with the Great Dawn Prepare yourself for an immersive experience of magic and power wars and betrayals as the narrative hurtles towards an inevitable and unstoppable clash Note to readers For those who loved the story behind Runae's demise this work will reveal

The Power of Love and Democracy in the Philosophies of Martin Luther King, Jr. and Cornel West Timothy L. Lake, 2025-09-18 This book locates an ethic of love as central to the democratic philosophies of Martin Luther King Jr and Cornel West While much has been written about King's moral vision social activism and theology there has been no book length treatment of the implications of his thinking to democratic theory Additionally Cornel West is the leading African American public intellectual of our time but the range of his cultural criticism and academic scholarship obscures his intellectual and social projects This project synthesizes West's vast corpus and places him within the modern African American intellectual tradition he shares with Du Bois King Maulana Karenga the creator of Kwanza and others Deeply grounded in the African American intellectual and philosophical traditions in which King and West are rooted as well as the Western mainstream political philosophical traditions in which they were educated this book offers a penetrating interpretation and comparative analysis of their thought on the ideals of democracy and of their critiques of American democracy It also reflects on the nature and values of democracy exploring how love is inseparable from justice in a democratic society

The Power of Love - The Three Ross J. Kinnaird, 2024-08-23 If I had possessed my brother's magic I would have known how a soul could enchant a God magnetize his will Instead I faced the discovery alone against the odds risking the fate of the entire universe One soul Daniel's soul drove me insane His heart his dreams his connections with the ones he loved whispered of an unbreakable bond There at the turning of the tide at the tipping point between existence and

demise his soul saved me saved us all Once again Daniel Anita and Noah stand on the precipice of destiny their hopes shattered by an unforeseen tragedy that threatens to engulf them in despair As the darkness looms ever closer their resolve burns brighter than ever before With each step forward they confront trials that test their strength courage and bonds of friendship But as they march towards the ultimate showdown they must grapple with their own inner demons and confront the harsh realities of sacrifice and loss For in this final battle between light and darkness the fate of every world hangs in the balance and the stakes could not be higher

Ways & Power Of Love Pitirim A. Sorokin, 2002-03-04 The Ways and Power of Love was originally published in 1954 when Pitirim Sorokin was in the twilight of his career and leading the Harvard Research Center in Creative Altruism His elaborate scientific analysis of love with regard to its higher and lower forms its causes and effects its human and cosmic significance and its core features constitutes the first study on this topic in world literature to date Sorokin was the one absolutely essential twentieth century pioneer in the study of love at the interface of science and religion Bringing The Ways and Power of Love back into print allows a new generation of readers to appreciate Sorokin s genius and to move forward with his endeavor at a time when civilization itself continues to be threatened by a marked inability to live up to the ideal of love for all humankind It is certainly right to hope with Sorokin that progress in knowledge about love can move humanity forward to a better future Turning the sciences toward the study of love is no easy task but it can and must be done
