Skin Deep Donald T. Moynihan, Shirley Hartman, 1979-01-01 **Create the Best Version of You** Romulus Sirbu, 2019-05-17 Every company wants their product to stand out from the competition. So why shouldn't every man want the same thing? Men should strive to separate themselves from the competition too and win what they are fighting for whether this is a new job, a promotion, a business partnership or a girlfriend. Branding is everything. That's why all serious companies invest in their brand. Unfortunately, too many men with great potential invest virtually nothing in their personal brand. You will never cash your real worth with a poor or an average image. Science has proven that a successful personal image is important for our self-esteem and confidence. Studies also show that any first impression is profoundly influenced by the way we look. This book is a complete guide for every man who does not want to settle for mediocrity but who wants to build a better version of himself and cash his worth. All men can learn from this guide no matter their age, experience, position or status. By paying attention to a few easy to follow steps, this guide describes how to build an outstanding personal brand image allowing you to stand out in any personal or professional situation. If you could be better, wouldn't you want to be?
