**Living Skinny in Fat Genes** Felicia Stoler, 2011-01-15 You don't have to wear those fat genes your family passed down to you achieve healthier life from the host of TLC's *Honey We're Killing the Kids* Are human beings just products of our environment and genetic blueprint Or do we have some control If we had family members that are overweight or obese and never learned healthy habits are we doomed to the same fate The answer is a hearty No Felicia Stoler once struggled with her own fat genes and now shows you how to take control of your own health No more FADs Fast Acting Diets that don't work No more yo yo's or funny supplements Here at last is a lifestyle plan based on dietary science that emphasizes nutrition exercise rest and ever tricky time management Felicia knows time is often the biggest obstacle of healthy living she is a busy working mother of two This is not a diet you go on and off of but a way of life for you and your whole family It is time to focus on your best health not just the numbers on the scale It is time to ditch those fat genes forever In *Living Skinny in Fat Genes* Felicia's health plan discusses All foods can fit Never cut out entire food groups again Learn from other cultures Greek yogurt Coconut milk Couscous Expand your horizons right on your plate and get away from fast food Don't be fooled by trends and fads Food is fuel Are you giving your body what it needs to run at its best Quick and easy recipes and nutritious meals kick start a healthier you

**"Happy Eating" and Food**

**Addiction in American Advertising** Debbie Danowski, 2023-10-30 This book explores the addictive techniques used in advertisements for ultra processed foods which promise consequence free eating to consumers while at the same time encouraging over consumption of unhealthy food Debbie Danowski presents an analysis of promotional techniques in the context of food addiction characteristics and behaviors through an exploration of the themes used in this type of advertising These thematic messages include using food to rebel to play to relax to achieve happiness to replace exercise to achieve good health to increase intelligence to show love to bond with others and to create environmental change Ultimately Danowski argues that these competing and contradictory messages have had long term negative ramifications for American habits of consumption both literally and figuratively Scholars of communication advertising media studies and food studies will find this book particularly useful For more information check out this conversation between the author and Susan Branscome host of Food Addiction The Problem and The Solution
