## Skydark Spawn:

**Prodigal's Return** James Axler, 2011-09-06 The landmark 100th episode of the popular series Searching for an operational redoubt Ryan and his companions go up against a ruthless band of coldhearts Seeing his long lost son is a shock especially when Dean shoots and wounds his father in a firefight

**Original Lost Gates** James Axler, 2011-11 Baron Crabbe is dangerously high on legends of the Trader and rumors of a secret cache His ace in the hole is Ryan Cawdor and his band his prisoners Ryan knows the truth and it won't help Crabbe But the only option is to play along with the crazed baron's scheme

**Original Palaces of Light** James Axler, 2012-05-01 Remnants of America's past are littered across the postapocalyptic landscape but little remains of the predark ideals of law and order Survival is a blood quest and lethal force the means to power Still a handful retains their humanity among the coldhearts and in a world where nothing lasts forever hope is a commodity as precious as jack Steeped in beauty and mysticism the canyons of Mesa Verde Colorado survived the blast that altered the American West Hired to track a group of missing children Ryan Cawdor and his band follow the trail to a legendary city carved in stone older and stronger than the nukecaust The inhabitants of the palaces of light are more than warriors and survivors they are masters of mind games that prey on illusion And true believers in a metaphysical endgame poised to push the companions over the edge of reality into certain death

**Eden's Twilight** James Axler, 2009-06-01 Rumors of an untouched predark ville in the mountains of West Virginia lure traders in search of unimaginable wealth They're coming from all directions the good the bad the worst Ryan and his warrior group join in although it means an uneasy truce with an old enemy going back to days of spilled blood and the legacy of the Trader But as their journey to a place called Cascade reveals more of Deathlands darkest secrets it remains to be seen if this place will become their salvation or their final resting place

**Hell Road Warriors** James Axler, 2012-03-01 The human will to survive has sharpened to a knife edge after a century of postnuclear madness In a lawless land where firepower and savagery rule power lies with the barons and coldhearts who wield control through terror Against all odds a courageous few still fight for something better to live by honor decency and hope Emerging relatively unscathed from the apocalyptic rebirth of North America Canada hides a trove of Cold War era secret government installations known as Diefenbunkers filled with caches of weapons wags and food Ryan Cawdor and his companions agree to ride sec for a convoy headed west across the remnants of the old Trans Canada Highway to retrieve the ultimate prize four portable nuclear reactors It's enough power to light up a ville for years a bright beacon for a new tomorrow But they have death on their tail a baron and his sec men who will stop at nothing to claim the prize as their own

**Tainted Cascade** James Axler, 2011-05-01 The blighted aftermath of a global nuclear showdown Deathlands exacts a blood price The living pay it the dead don't care For one legendary band of warriors this barbaric new world holds a chance for redemption the secrets of the past They roam a disfigured America searching for pre dark tech seeking the path to a future worth living Utah's Great Salt Lake Desert remains a death pit of scorching heat cannibals and grim odds Ryan Cawdor

and his group survive the trek there only to be drugged robbed and left for the slave trade Escaping their captors leaves them alive but stripped of their prized gear their weps J B Dix s glasses Dr Mildred Wyeth s medical kit and worse her secret codex The companions must rely on each other to challenge their enemy and settle the score ***Perception Fault*** James Axler,2011-07-01 The ravaged landscape that was America two centuries ago is now blighted by post nuclear holocaust savagery Still there remain pockets of preDark technology that may offer undiscovered paths to reclaiming the future Ryan Cawdor and his companions have faced most kinds of horror that Deathlands can deliver and survived This merciless place can break even the strongest but it has yet to destroy hope Denver offers a glimpse of that very hope a power plant electricity food and freedom But the city is caught in a civil war between two would be leaders and their civilian armies Challenged by both sides to do their bidding Ryan discovers a third player in the quest to control the mile high city a secret enclave of White Coats with the strength and technology to pursue a twisted agenda of their own ***Plague Lords*** James Axler,2008-12-01 After a century of chaos following the nukes Deathlands is forming pockets of civilization aided by predark stockpiles of weapons fuel and pieces of 21st century knowledge But these troves are hard to come by and survival remains a blood quest For Ryan Cawdor and his warrior survivalists luck is sparse chances slimmer yet hope drives them onward The sulphur teeming Gulf of Mexico is the poisoned end of the earth but loaded cargo ships ruined by skydark lure doomie and cutthroat alike Here Ryan and the others glean rumors of whole cities deep in South America that survived the blast intact But as the companions contemplate a course of action that may divide them a new horror approaches unseen on the horizon The Lords of Death are Mexican pirates raiding stockpiles with a grim vengeance When civilization hits rock bottom a new stone age will emerge with its own personal day of blood reckoning In the Deathlands the future could always be worse Now it is

**Shatter Zone** James Axler,2014-11-01 Scattered remains have been salvaged from the abandoned cities that withstood the atomic onslaught at the dawn of the twenty first century but the secrets of pre Dark tech buried in the mass grave of civilization are known to only a few **Devil Riders** James Axler,2014-11-01 A century after the nuclear conflagration almost destroyed the world humanity endures in a lawless land Those who inhabit Deathlands are either killers or those who would be killed **Sky Raider** James Axler,2014-11-01 Raw courage and knowledge of the arcane secrets of preDark technology have enabled Ryan Cawdor and his warrior companions to live and roam a land tortured but not destroyed by apocalyptic madness In a world where the price of living is paid in flesh and blood nothing is ever free not even death ***Labyrinth*** James Axler,2014-11-01 It took only minutes for human history to derail in a mushroom cloud now more than a century later whatever destiny lies ahead for humanity is bound by the rules that have governed survival since the dawn of time part luck part skill and part hard experience **Vengeance Trail** James Axler,2014-11-01 As megalomaniac barons and savage anarchy compete to lay claim to post nuclear America perseverance and a will to live are what keep Ryan Cawdor and his band of warrior survivalists roving through the worst and best of a new world Armed with secrets of pre Dark tech they

possess what few in Deathlands can imagine hope for a better tomorrow     **Black Harvest** James Axler,2014-11-01  
Shockwaves of atomic destruction turned 22nd century America into a hell zone but in the ruins the human spirit remains unconquerable Daily survival depends on raw courage and a deadly aim and with his warrior band Ryan Cawdor roams the forbidding new frontier known as Deathlands determined to unlock its secrets     Separation James Axler,2014-11-01 Hard strength and resilience are needed to survive each new day in the treacherous world of post nuclear America     **Cannibal Moon** James Axler,2014-11-01 In the hostile new world of post nuclear America there are many ways to die but few are clean or quick Long ago Ryan Cawdor and his band threw in their lot together to do or die trying     Perdition Valley James Axler,2014-11-01 Journeying across the devastated frontier of post nuclear America Ryan Cawdor and his companions have unlocked clandestine knowledge of preDark tech secrets that give them an edge for staying alive an edge augmented by an ability to fight     *Atlantis Reprise* James Axler,2014-11-01 For Ryan Cawdor leader of a small group of post apocalypse survivalists it's the inner fire of survival that guides them through this hell on earth to whatever lies beyond the daily fight for existence There are times when the oblivion of death seems a most welcome journey out of Deathlands     *Bloodfire* James Axler,2014-11-01 Life in twenty second century America is an odyssey of pain and death Savagely transformed by atomic fallout what remains of humanity endures an internecine war against those who thrive on chaos and bloodshed

**SKYDARK SPAWN** James Axler,2014-01-15 BLIND FORTITUDE Survival in America's nuke blasted frontier is both a curse and a salvation for Ryan Cawdor and his warrior companions Though the basic needs of existence must be fought for and won with blood each day alive means another chance to seek refuge and a better way of life in a hostile and brutal world where hope still fires the human heart FOUL IMPETUS In the relatively untouched area of what was once Niagara Falls Ryan and his fellow wayfarers find the pastoral farmland under the despotic control of a twisted baron and his slave breeding farm Ryan Mildred and Krysty are captured by the baron's sec men and pawned into the cruel frenzy of their leader's grotesque desires JB Jak and Doc enlist the aid of outlanders to organize a counter strike but rescue may come too late for them all In the Deathlands you are sentenced to your destiny from the moment of birth
