Borchard, 2007-12-18 A celebration of the treasured traditions rituals and stories that run through the bloodstream of American Catholics For Andrew Greeley it is the reverence of Christmas night and the exultation of Easter morn Martin Scorsese like many others remains grateful for the nuns who rapped his knuckles but built his self esteem Mary Gordon recalls the sense of lightness that follows confession Vince Lombardi the strength he derived from Mass and Christopher Buckley the role St Thomas More plays in his writing I Like Being Catholic brings together the memories thought and hopes of famous Catholics and ordinary parishioners lapsed and good enough Catholics and those who have devoted their lives to the faith It captures their abiding ties to and deep affection for the Church and offers the wide ranging sometimes surprising views on the good things that come with being Catholic This is not a book of theology It is about the beauty at the heart of Catholicism It is about what Teilhard de Chardin called the chosen part of things It is about family and community the value of Catholic education the significance of sacraments and milestones and the cultural impact of Catholicism there are lists of the ten best Catholic novels the ten best Catholic movies ten Catholic heroes of the twentieth century ten good reasons to raise your kids Catholic fifty things Catholics like best about being Catholic and much more I Like Being Catholic is a book for all those who have ever called themselves Catholic It is a book of warmth affection humor and love

**Sleep Pea Angel and Doubtful Davie** Diann Y. Mason, 2007-04 I didn't want to be coldly cast away in a lifeboat with memories a map and a dream The map was awfully good but I really didn't want a map I just wanted my Dad I figured that he probably planned to head west to hide out on Grandpa's farm It was the perfect hideout coveted for a long time by some of the island's leading ICE men Elaine Alijah Pirates My Dad's Mystery is certainly not a biography Rather it is a meandering voyage through my divorcee Dad's childhood through a series of open ended intertwined dramatic short stories or tracks to adulthood The treacherous ride continues up and down the corporate ladder and eventually through judicial hell where like I've said before Dad made a few very serious mistakes It's the vibeztrack of Dad's life available in both Standard and Teaching Editions Perhaps even more intriguing than the stories in the book is the dramatic epic behind it Fortunately for those who need to know a wealth of behind the scenes info and both Elaine Alijah and C C Foxx are very accessible at [www.piratesthebook.com](http://www.piratesthebook.com)
