*Carlos Slim* Diego Osorno, 2019-09-24 Can one of the richest men in the world be a good person The rich are not like us Great wealth brings both power and immunity a pairing that opens a yawning moral abyss at the feet of the world's billionaires Carlos Slim is one of eight people whose combined wealth equals that of the 3.6 billion people who make up the poorest half of humanity A businessman who dominates telecoms and global real estate and a major shareholder of the New York Times Slim exerts a degree of power in Mexico unmatched by any politician The biography of Carlos Slim one of the richest people of all time is a case study in the ethical and psychological effects of extraordinary wealth Not just the tale of the first man from a developing country ever to reach the top of the Forbes list of billionaires it presents a living embodiment of the financial mentality of our time a man who mistrusts politicians and believes the market to be the answer to everything even corruption In short Slim's story is that of Latin America's last half century and indeed the wider world After years of thorough investigation Diego Osorno has produced an extraordinary portrait detailing the effects of great wealth His time with Slim forces Osorno to pose an age old question What does it profit a man if he gains the world and loses his own soul

*Her Inheritance* Lois Carroll, 2014-11-01

In the late 1800's Jessica inherits a house from her namesake in Texas She makes the long trek from Philadelphia expecting to live there and find a job Arriving in the midst of a party in the house she is shocked to learn that she shares ownership with Tanner the young sheriff But she's more shocked to learn the house is a brothel with several women living there

C. Bankole-Bright and Politics in Colonial Sierra Leone, 1919-1958* Akintola Wyse, 2003-12-11 This substantial and thoroughly

documented book is a political biography of an important figure in Sierra Leone. It is also a comment on two of the major themes of the country's history the relations between the Colony Krio Society and the protectorate the earlier inhabitants of the territory and more importantly the position of the imperial regime vis vis its colonial subjects. The author a Sierra Leonean and a Krio himself skillfully examines the country's recent history through the life of Dr H C Bankole Bright an important leader of the Krio people. The Krio descendants of the freed slaves were the elite of Sierra Leone for more than a century but ultimately they failed to master mass electoral politics during the period of decolonization leading to independence. Dr Bankole Bright's failure is seen as emblematic of the disappointed hopes of the Krio as a political group in Sierra Leone. An underlying theme of the book is the misrepresentation of the Krio people in Sierra Leone historiography.
