**ISE SOCIOLOGY** RICHARD T. SCHAEFER, 2021      Sociology Matters Richard T. Schaefer, 2007-02-23 Richard Schaefer's *Sociology Matters* is a very concise introduction to the discipline of sociology. Its straightforward style, streamlined design, and highly focused coverage make it the perfect short, affordable introductory text for instructors who use a variety of materials in their course. *Sociology Matters* helps students understand and connect to the topics it covers by answering the question: How does sociology matter? After more than 30 years of teaching sociology to students in colleges, adult education programs, nursing programs, an overseas program based in London, and even a maximum security prison, I am firmly convinced that the discipline can play a valuable role in teaching critical thinking skills. Sociology can help students to better understand the workings of their own lives as well as of their society and other cultures. Richard T. Schaefer      **Sociology** Richard T. Schaefer, 2011-10      **Berkeley La Raza Law Journal**, 2002      **Sociology, with PowerWeb** Richard T. Schaefer, 2005-12 Like its predecessors, the tenth edition of this text reflects Rick Schaefer's mission to bring readers a comprehensive, up-to-date presentation that teaches them how to think critically about society and their own lives from a wide range of classical and contemporary perspectives. Combining balanced coverage of theory with current research findings, distinctive social policy sections, examples of interest to students, and abundant learning aids and exercises, this text will help students develop a sociological imagination. An optional package combines Schaefer's *Sociology with PowerWeb Tenth Edition* and *Reel Society Interactive Movie 2.0* CD-ROM at nominal extra cost. The introductory sociology class provides the ideal laboratory in which to study our own society and those of our global neighbors. The distinctive emphasis on social policy found in this text shows students how to use the sociological imagination in examining such public policy issues as sexual harassment, the AIDS crisis, welfare reform, the death penalty, and privacy and censorship in an electronic age. Richard T. Schaefer      Bibliographic Index, 1997      **Fundamentos de Sociologia - 6ª Edição** Richard T. Schaefer, 2016-08-10 Esta obra oferece ao leitor uma excelente e concisa introdução à sociologia com ênfase na sua aplicação ao mundo real. Conhece os principais temas tratados neste livro: Cultura e socialização, Estrutura social, Desigualdade global, Desigualdade de gênero, racismo e étnica, Família e religião, Movimentos sociais e transformação social, Terceirização do trabalho, Sexualidade, Escravidão e tráfico de pessoas, Tecnologia, Questões ambientais.      **Sociology and Your Life P.O.W.E.R. Learning** Robert Feldman, Richard T. Schaefer, 2015-05-29      Racial and Ethnic Groups Richard T. Schaefer, 2008 For one semester, one quarter, Sociology and General Education courses in Race and Ethnic Relations. Richard Schaefer grew up in Chicago in the 1960s at a time when neighborhoods were going through transitions in ethnic and racial composition. He found himself fascinated by what was happening, how people were reacting, and how these changes were affecting neighborhoods and people's jobs. These experiences led to a career in sociology, and he is now a leading scholar on racial and ethnic relations. This book grew out of a desire to help students to understand the changing dynamics of the U.S. population.

This text is an accessible comprehensive and up to date introduction to the issues confronting racial and ethnic groups in both the U S and other countries Organized first by issues and then by major racial and ethnic groups The text examines each group s history explores its current situation and its concerns for the future perspective in the first part of the text lays the foundation for students to understand and discuss the history and contemporary state of each racial and ethnic group presented in the latter part of the book

Sociology has been my life s work for several decades In the classroom and in the pages of my textbooks I have tried to spark students interest in the discipline by showing them its real life implications My aim has been to convince students that sociology is more than just another academic pursuit an exercise in scholarship for the sake of scholarship Sociology illuminates the world around us our families schools neighborhoods and other familiar institutions we have lived with all our lives It puts into larger perspective our culture and our socialization the way we come to be the way we are Sociology makes us think deeply about the divide between ourselves and those of different races classes and ethnicities It forces us to recognize the effects of power technological advances electronic media and the increasingly rapid process of social change on our own lives Sociology matters to you me and everyone with a stake in the society we live in      **Sociological Abstracts** ,2004-04      **The Florida Journal of Anthropology** ,1991
