M. Barrie, 1930 The Little Minister is a light comedy filled with a delicate romance and brightened with the humors of Thrums It is a light comedy despite the ambitious strain of the love passages and the entertainment it affords is on the whole an exercise of one s sentiments not one s intellect The Little Minister is a book in which much that happens has no better reason for happening than that the author wishes it to When we read the story in an idle hour we do not quibble at it for abandoning logic and pleasing us without regarding the rules of the game But such shortcomings constitute the difference between a pleasant book and a great book **The Little Minister (Classic Reprint)** J.
