

William Barclay

**THE LORD'S
SUPPER**

The Lords Supper By William Barclay

Frank Viola, George Barna

The Lords Supper By William Barclay:

The Lord's Supper William Barclay, 2001-01-01 Concerned that the celebration of the Lord's Supper had become a ritual rather than a reality William Barclay set forth his ideas on the biblical foundation of the sacrament the history of its form and interpretation in the church and its meaning for today This reissue of an older Westminster John Knox Press title makes a welcome addition to the highly popular William Barclay Library series The William Barclay Library is a collection of books addressing the great issues of the Christian faith As one of the world's most widely read interpreters of the Bible and its meaning William Barclay devoted his life to helping people become more faithful disciples of Jesus Christ *Celebrating the Lord's Supper* Edison Muhindo Kalengyo, 2018-05-31 Africa is suffering a severe famine a famine for the Lord's Supper Many Christians have forgotten or have never known the nourishment this spiritual feast brings Others long for it but are denied the opportunity to partake In *Celebrating the Lord's Supper Ending the Eucharistic Famine* Dr Edison Kalengyo pleads on behalf of those who are suffering This book identifies the ecclesiastical and economic reasons for the famine and suggests how they may be alleviated Kalengyo also urges African churches to draw on the continent's rich ancient cultural heritage when celebrating the Lord's Supper to fully appreciate this biblical feast and the communion it brings with God and fellow believers

From Legalism to Freedom Dallas R. Burdette, 2008-08 In 1517 Martin Luther took a stand for justification by faith alone in the finished work of Christ upon Calvary As a result of his position he suffered persecution for adhering to the Scriptures alone and not to traditions This book traces my spiritual journey from legalism to freedom in Christ In sixteen chapters I map out my heritage within the Churches of Christ and the motivations that eventually led me out of bondage to liberty One of the lengthiest chapters in this book is *Where the Scriptures Speak* One objective of this chapter is to help individuals to understand that one may speak where the Bible speaks and not necessarily speak as the Bible speaks Chapters 11 12 and 13 represent the very heart of my escape from authoritarianism to my dependence upon God's righteousness a righteousness from God through faith in Jesus Chapter 14 focuses on preaching in the early church Without an understanding of the Gospel that the apostles proclaimed Christians will never learn the spirit of toleration for differences within the Christian community Chapters 8 15 and 16 give attention to the Last Supper The communion should be a constant reminder of the Cross and true unity among God's children Chapter 1 2 and 3 outline my original journey of faith Dallas Burdette has been a serious student teacher and preacher of the Bible for fifty eight years supporting himself for many years as an agent for AFLAC He has written numerous articles for religious journals as well as many essays and sermons which are available on his website He has developed a keen interest in promoting unity among God's people through a more accurate reading of the Word He has degrees from Amridge University formerly Southern Christian University where he also was Director of Extended Learning for five years He holds the Doctor of Ministry degree 1999 from Erskine Theological Seminary

Pagan Christianity? Frank Viola, George Barna, 2010-09-30 Have you ever wondered why we Christians do what we do for

church every Sunday morning Why do we dress up for church Why does the pastor preach a sermon each week Why do we have pews steeples and choirs This ground breaking book now in affordable softcover makes an unsettling proposal most of what Christians do in present day churches is rooted not in the New Testament but in pagan culture and rituals developed long after the death of the apostles Coauthors Frank Viola and George Barna support their thesis with compelling historical evidence and extensive footnotes that document the origins of modern Christian church practices In the process the authors uncover the problems that emerge when the church functions more like a business organization than the living organism it was created to be As you reconsider Christ s revolutionary plan for his church to be the head of a fully functioning body in which all believers play an active role you ll be challenged to decide whether you can ever do church the same way again
