The History of the North Carolina Communist Party Gregory S. Taylor,2009 This book presents a re evaluation of the objectives and actions of the Tar Heel Reds from the 1920s to the 1960s The author argues that contrary to widely held belief they were not a threat to national security nor were they beholden to the Soviet Union and that their aims are now accepted parts of the national consensus *William Faulkner's Postcolonial South* Charles Baker,2000 William Faulkner 1897 1962 like other authors of the Southern Renaissance believed the South to be a victim of post Civil War Northern imperialism Through their writing these authors offered a response that may be termed postcolonial and profitably compared to the writing of postcolonial authors worldwide By consistently undercutting the myths of the South however Faulkner goes beyond the nostalgic Confederate flag waving of his contemporaries and suggests a path toward personal liberation
