The Liturgy Betrayed:

The Liturgy Betrayed Denis Crouan, 2011-07-05 For more than thirty years the Church has been torn apart by a conflict that revolves around the question of Liturgy In this instructive and practical work Denis Crouan makes accessible to everyone the criteria which have been issued by the Magisterium and which define a truly Catholic Liturgy in today's Church From a position of strength as an experienced theologian Crouan attempts to show the real causes of the liturgical crisis that has been afflicting the Church At the same time his aim has been to highlight the sort of pastoral action that would allow this crisis to be overcome His solution is not to argue for a return to the past nor is it to promote arbitrary innovations as regards the liturgical celebration of our faith Rather he champions a restoration of the individual authority of the bishops in bringing about solely with the help of the official liturgical texts the proper application of the principles clearly enunciated by *Sacrosanctum Concilium* Vatican II's Constitution on the Sacred Liturgy

Reforming the Liturgy John F. Baldovin, 2016-03-24 2009 Catholic Press Association Award Winner Perhaps no liturgical scholar of our time is better able than John Baldovin to write with clarity and accuracy about the meaning of the church's liturgy and the history of its development in the last half century In this summary volume on the reform of the liturgy since the Second Vatican Council Baldovin pinpoints and assesses both sympathetically and critically the objections to changes in the liturgy since the council focusing on philosophical historical critical and theological questions After addressing each criticism in turn in a final chapter he assesses the critique of post Vatican II liturgy as a whole affirming what is accurate and necessary rejecting what is backward looking and proposing a set of principles to guide future development No one who studies or participates in liturgical action in the twenty first century can afford to overlook this book John F Baldovin SJ is professor of historical and liturgical theology at Boston College School of Theology and Ministry His most recent books include *Bread of Life* *Cup of Salvation* and *The Urban Character of Christian Worship* *The Liturgy After Vatican II* Denis Crouan, 2001-01-01

Islam, Christianity and Tradition Ian Richard Netton, 2006-12-22 Offers a unique comparative exploration of the role of tradition in Islam and Christianity The idea of tradition has enjoyed a variety of senses and definitions in Islam and Christianity but both have cleaved at certain times to a supposedly golden age of tradition from the past The author suggests there has been a chain of thinkers from classical Islam to the twentieth century who share a common interest in *ijtihad* or independent thinking Drawing on past and present evidence and using Christian tradition as a focus for contrast and comparison the author highlights the seemingly paradoxical harmony between tradition and *ijtihad* in Islam The author draws on a variety of primary and secondary sources including contemporary newspaper and journal
