Stewart Lockhart, 1975 *The Stewart Lockhart Collection of Chinese Copper Coins; Royal Asiatic Society - North China Branch, Extra Volume, 1* J.H.S. Lockhart, 1915 The Stewart Lockhart Collection of Chinese Copper Coins, by Sir James H. Stewart Lockhart,... James H. Stewart Lockhart, 1915 **Catalogue of Printed Books Published Before 1932 in the Library of the Royal Asiatic Society** Royal Asiatic Society, 1940 History of Money Glyn Davies, 2010-09-01 This is a straight forward readable account written with the minimum of jargon of the central importance of money in the ordinary business of the life of different people throughout the ages from ancient times to the present day It includes the Barings crisis and the report by the Bank of England on Barings Bank up to date information on the state of Japanese banking and the changes in the financial scene in the US It also touches on the US housing market and the problem of negative equity The paradox of why more coins than ever before are required in an increasingly cashless society is clearly explained as is the role of the Euro coin as the lowest common denominator in Europe's controversial single currency system The final section provides evidence to suggest that for most of the world's richer countries the era of persistent inflation may well be at an end This new edition is updated and takes account of important recent developments such as the independence of the Bank of England the introduction of Euro notes and coins from 1st of January 2002 and developments in electronic money **Catalog of Copyright Entries.
