Sarmatians over whom he gained a signal victory The Persian monarch also made some attempts upon the empire but Carus assured his ambassadors that if their master persisted in his obstinacy all his fields should shortly be as bare as his own bald head a dreadful battle ensuing he once more gained a complete victory But he was shortly after struck dead by lightning in his tent with many others around him Numerianus was inconsolable for his death and brought a disorder upon his eyes we are told with weeping The peculiarity of his situation after some time excited the ambition of Aper his father in law who supposed that he could now without danger aim at the empire himself He therefore hired a villain to murder the emperor in his litter and to conceal the fact gave out that he was alive but unable to endure the light In this manner was the dead body carried about for some days Aper continuing to attend it with the utmost respect and to take orders as usual However the offensiveness Of its smell at length discovered the treachery and excited a universal uproar In the midst of this tumult Dioclesian one of the most noted commanders of his time was chosen emperor and with his own hand slew Aper having thus as it is said fulfilled a prophecy that he should be emperor after he had slain a boar alluding to the name of his rival Carinus did not long survive his father and brother for giving himself up to his vices and opposing the new made emperor the competitors led their forces into Moesia where Dioclesian being victorious Carinus was slain by a tribune of his own army whose wife he had formerly abused About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
