Unlike many other independently published works our publications are easy to read Therefore you won t find illegible faded poor quality photocopies here Neither will you find poorly done OCR versions of those faded scans either with illegible words that contain all kinds of strange characters like % to know this is to know all There is none harder to believe none that believed is so rich in meaning so glowing in its assurance to faith and in its promise to hope The truths embedded in it and embalmed by it are many and cardinal I think its very place in John s Gospel seems to suggest that it was the climax and crown of Christ s miracles At any rate it brought the conflict between faith and unfaith to a head This tremendous miracle this startling and staggering sign was a sort of last appeal to the Jews They had resisted and disregarded previous signs Jesus had healed the impotent man at Bethesda and the only result was that the resentment of the people was kindled against Him He had given sight to the man that was born blind and the only result was that they called Him a sinner and tried to kill Him He makes one more appeal to this perverse and obdurate people He reveals His glory as the only begotten Son of God by raising Lazarus from the grave after he had been dead four days He performed a deed so tremendous that it would seem that none could doubt or challenge His Divine power But even that failed to bring them to faith Unfaith won its final triumph and the Jews made ready the cross It failed as an appeal but it left the Jews without excuse     The Genesis of the Bible Shaka Saye Bambata Dolo,2012-03-06 This book is about Christianity Islam Judaism and how the Arabs and Europeans took these Afrikan Religious Belief Systems from ancient Egypt North Afrika and used them during The Trans Sahara Afrikan Slave Trade by the Arabs in the name of Allah and followed by The Transatlantic Afrikan Slave Trade by the Europeans in the name of Jesus to enslave the bodies minds and souls of the Afrikan Race This book is about the Jesus Deception that has been passed on down through history by European historians that is still being taught around the world today This book takes a provocative intellectual scholastic historical cultural and sociological look at the Bible This book identifies the names of the translators of the King James Bible of 1611 A D and when the chapters and verses in the Bible were created and who created them The purpose of this book is to expose the historical cultural sociological religious and theological lies of the Europeans and the Arabs This book reveals the truth of the origination of The Bible as There Is No Religion Higher Than The Truth Join me in an intellectual odyssey through time Here I feel like a Lone Warrior standing before a mighty army Come with me on this perilous pilgrimage as we travel through a parallel universe I dedicate this book to my mother and father who gave me life To the rest of my Native Afrikan family for supporting me and encouraging me on this publishing venture To the Heavenly Father without whom none of this would be possible There are others I would also like to thank for being a part of helping me through this journey called Life such as my professors at the Alabama State University where many a great scholars paths I have crossed To my American family and friends in Mobile Alabama who nurtured and taught me from childhood to adulthood The many friends and colleagues I met in my travels all across America in my intellectual journey and last but certainly not least to my publisher for granting me the opportunity to speak to many all around the world in this
