## **The Los Angeles Rams Nfl Today:**

**Distant Memories** Danny Jones,2008-04-22 The 26 men featured in this book have one thing in common They were all great football players These legends were the superstars of the NFL and AFL during the glorious 60s and the fun loving 70s However only 2 of these legends are in the Hall of Fame in Canton Ohio These stars revolutionized the game of Pro Football with their brilliant performances and were Pro Footballs biggest gate attractions As the years go by and the 60s and 70s have become a distant memory these outstanding football players and mavericks have been unappreciated and forgotten These heroes and legends of the fall contributed to the success of the NFL and made Pro Football the most popular and exciting sport in America Distant Memories The NFLs Best Ever Players of the 60s and 70s focuses on Pro Footballs forgotten stars and legendary heroes from the glorious past Its about pioneers and great players from yesteryear I have always wanted to write a book like this Since I was a former amateur football player and have the knowledge and resources about football I thought I would be the right person to write this book and do it with class and style I have watched every football player in this book play every week and have seen all of the weekly highlight shows I have followed their entire careers and I have seen every touchdown they scored I watched all NFL and AFL games on TV in the 60s and 70s In 1970 when the AFL and NFL merged to become one league I watched every game on TV during the 70s I can remember my golden Sunday mornings and early afternoons when I played football during the 70s I always hurried home from my games so I could watch the NFL on TV You can ask my wonderful mother She knew where I was every Sunday afternoon during the football season when I was young I would like the players in this book to finally receive the recognition they deserve for their outstanding

accomplishments Danny Jones <http://www.starsofthenfl.com/index.html> **Hollywood's Team** Jim Hock,2016-12-27 In 2016 after twenty years in St Louis the Rams are back in their longtime home Some call their return to Los Angeles a relocation but it's more the restoration of a city landmark Hollywood's Team follows the Rams of the 1950s They were glamorous glitz and most of all they were exciting Like the city itself the Rams were comprised of both big stars and everyday workhorses like John Hock father of the author a quiet humble and stout offensive guard They were the first major professional sports team west of the Mississippi River the first to integrate even before Jackie Robinson the first team to reach a million fans and the first team with a TV contract The Rams of the 1950s were in so many ways the first modern sports franchise Their roster is a who's who of the NFL Hall of Fame Names such as quarterback Norm Van Brocklin wide receiver Elroy Hirsch Bob Waterfield Tom Fears defensive back Dick Night Train Lane and linebacker Les Richter Other notables from the era include a wunderkind public relations man named Pete Rozelle who would go on to become the boy commissioner of the NFL at age thirty three Head coach Sid Gillman was an architect of the modern passing game Owner Dan Reeves was a genius in business but troubled by alcohol Heck even the iconic comedian Bob Hope was a partial owner of the Rams at the time The Rams were Hollywood's team This is their story **Every Day Is Sunday** Ken Belson,2025-10-14

From veteran New York Times Business NFL reporter Ken Belson a deeply reported account of how the NFL s Commissioner Roger Goodell and its two most powerful owners Jerry Jones Robert Kraft turned the league into a cultural phenomenon On February 11 2024 NFL Commissioner Roger Goodell the league s two most powerful owners Jerry Jones Robert Kraft looked down at the spectacle before them What they saw was the sport s championship game the Super Bowl now a de facto national holiday being played in a shiny new 2B stadium home to the first franchise based in Las Vegas after the league s embrace of nationwide gambling The moment was over 30 years in the making As one of Goodell s colleagues said Roger doesn t view the other leagues as competition He wants to be mentioned with Disney and the Vatican these massive institutions In Every Day is Sunday Ken Belson traces the evolution of the league from one of the four US professional sports to the superpower it is today Belson illustrates how the league s rise coincided with the arrival of Jones Kraft in the early 90 s He provides an inside look on how these two men reshaped the league taking readers into the secretive owner s meeting how they decided Goodell was the right man to place as Commissioner and how the three built wielded and held on to their collective power Perfect for fans of The Dynasty and Big Game Belson provides a unique peek behind the curtain of how America s favorite sport achieved its status and how these three men let nothing stand in their way
