## The Love School:

**The Love School Project** Susanne Stauch, 2017-04-24 The Love School Project war ein designforscherisches Experiment im Bereich Transition Design und Social Innovation bei dem durch Co Creation Prozesse die Selbstwirksamkeit und Eigenverantwortlichkeit der Schulkinder erhöht werden sollte. Durch partizipative Maßnahmen wurden Kinder im Slum von Nairobi zu Akteuren, Gestaltern und Produzenten und tragen dadurch zur finanziellen Eigenständigkeit ihrer Schule bei. Auf diese Weise können die Kinder gepflegt und mit Schulbüchern versorgt werden. **Love School** Rev. Tony K.

Thomas, 2020-06-02 There was a time when the Rev Tony K Thomas had no idea how to develop a lasting and healthy relationship. Like many others, he would see everyone else's faults but not his own and then wonder why his relationships didn't last. There were also times when he was rushing singleness by being in love with the idea of no longer being single. Then, after a ground zero experience in relationship failure while at this lowest moment in heartache and despair, he sought the Lord for help. While at this low point, the Spirit of Love told him, "This time I will not only heal and fix you but others." He was enrolled into Love School to learn about love from God's perspective. In this book, the author follows up on his two earlier books about love, sharing what he's learned by obeying the Lord and asking Him for help. Learn how to develop a real and lasting relationship with someone special. Look for answers within instead of from someone else. Learn the purpose of dating where there are no losers, become more loving and lovable. Learn love from a divine perspective. Throughout the book, you will discover that God's Word is full of love stories and lessons that are still practical today. Rediscover the source of love that comes from our Heavenly Father and transform your love life by enrolling in Love School. *The Sunday-school World*, 1900
