Sky Its Mysteries:

Prema Sai Baba. The Mystery of God. Part One Svyatoslav Dubyanskiy ,2024-01-13 This book is dedicated to Prema Sai Baba the divine incarnation of the 21st century Prema Sai Baba is the third incarnation of God on Earth in our era The first was Shirdi Sai Baba 1835 1918 the second was Sathya Sai Baba 1926 2011 At the outset I must acknowledge the difficulty of writing this book at this very moment It is now 2023 The previous incarnation of God Sathya Sai Baba left the physical body in 2011 that is twelve years ago Prema Sai Baba was born on June 28 2012 At the time of writing this book Prema Sai Baba is eleven years old I have been visiting his house for eight years and watching every day of his childhood growth and development The first time I met the divine child was when he was three years old **The Mystery of Being** Erik Kuravsky,2025-09-18 This book showcases the contributions of esteemed scholars in Heideggerian studies delving into the inquiry of the mystical essence inherent in Heidegger s thought Rather than confining mystery to the conventional realm of mysticism separate from philosophy this volume s original research investigates how the mystery of being is integral to philosophy itself shaping its performative and transformative nature The book s central inquiry asks whether this mystical element is essential to Heidegger s thought and how it relates to traditional notions of mysticism At its core however it questions the very essence of philosophy its transformative potential engaging with numerous themes in Heidegger s work while remaining attuned to the centrality and significance of the mystery of being **On the Avenue of the Mystery** Gary Hentzi,2022-10-21 This volume is a study of eight major novels from the postwar period 1945 65 in conjunction with the films made from them during a later period of a little less than three decades straddling the millennium 1985 2012 The comparison of these novels by Ken Kesey Paul Bowles Carson McCullers Jack Kerouac James Baldwin Alexander Trocchi William Burroughs and Peter Matthiessen with their film adaptations offers the opportunity for a historical reassessment not only of the novelsthemselves but also of the global counterculture of the years 1965 75 which they prefigure in a variety of ways Appearing more than a decade after the waning of the counterculture and in some cases as much as fifty years after the novels on which they are based the films display significant revisions and omissions prompted by the historical and cultural changes of the intervening years Whereas these changes are nowadays often interpreted in purely political terms this book argues that the experience of mystery and its decline is central to the novels and films and is a key feature of the period of cultural transformation that they bookend At once a work of literary criticism film studies and cultural history this book has the potential to reach both an academic audience and the broader readership that has long existed for these novels as well as the even broader one interested in reappraising the period of the global counterculture among the most important of the influences that have shaped the contemporary world The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license **Sky'S the Limit.
