The Living Dance Judith Chazin-Bennahum, Ninotchka Bennahum, 2012 *The Living Dance An Anthology of Essays on Movement and Culture* **The Living Dance** Judith Chazin-Bennahum, 2003 **The Living Dance** Judith Bennahum, Ninotchka Bennahum, 2021-07-13 **International Handbook of Research in Arts Education** Liora Bresler, 2007-03-05 Providing a distillation of knowledge in the various disciplines of arts education dance drama music literature and poetry and visual arts this essential handbook synthesizes existing research literature reflects on the past and contributes to shaping the future of the respective and integrated disciplines of arts education While research can at times seem distant from practice the Handbook aims to maintain connection with the live practice of art and of education capturing the vibrancy and best thinking in the field of theory and practice The Handbook is organized into 13 sections each focusing on a major area or issue in arts education research *Dance Me a Song* Beth Genné, 2018-05-30 *Dance Me a Song* explores how Fred Astaire Gene Kelly George Balanchine and others collaborated with songwriters and film makers to help develop a modern American film dance form rooted in the diverse dance cultures of jazz age America exploiting the new technology of sound film and transforming dance as well as cinema in the twentieth century *The Living Dance* Carol M. Press, 2013-08-29 **Ukrainian Dance** Andriy Nahachewsky, 2011-11-11 Ukrainian dance is remarkably enduring in its popularity and still performed in numerous cultural contexts This text unpacks the complex world of this ethnic dance with special attention to the differences between vival dance which requires being fully engaged in the present moment and reflective dance dance connected explicitly to the past Most Ukrainian vival dances have been performed by peasants in traditional village settings for recreational and ritual purposes Reflective Ukrainian dances are performed more self consciously as part of a living heritage Further sub groups are examined including national dances recreational educational dances and spectacular dances on stage *CORD Newsletter* Congress on Research in Dance, 2005 *The Writers Directory* , 2013 **What Art Is** Michelle Kamhi, Louis Torres, 2016-05-26 What is art The arts establishment has a simple answer anything is art if a reputed artist or expert says it is Though many people are skeptical about the alleged new art forms that have proliferated since the early twentieth century today s critics claim that all such work however incomprehensible is art A groundbreaking alternative to this view is provided by philosopher novelist Ayn Rand 1901 1982 Best known as the author of *The Fountainhead* and *Atlas Shrugged* Rand also created an original and illuminating theory of art which confirms the widespread view that much of today s purported art is not really art at all In *What Art Is* Torres and Kamhi present a lucid introduction to Rand s esthetic theory contrasting her ideas with those of other thinkers They conclude that in its basic principles her account is compelling and is corroborated by evidence from anthropology neurology cognitive science and psychology The authors apply Rand s theory to a debunking of the work of prominent modernists and postmodernists from Mondrian Jackson Pollock and Samuel Beckett to John Cage Merce Cunningham and other highly

regarded postmodernist figures Finally they explore the implications of Rand s ideas for the issues of government and corporate support of the arts art law and art education This is one of the most interesting provocative and well written books on aesthetics that I know While fully accessible to the general reader What Art Is should be of great interest to specialists as well Ayn Rand s largely unknown writings on art especially as interpreted released from dogma and smoothed out by Torres and Kamhi are remarkably refined Moreover her ideas are positively therapeutic after a century of artistic floundering and aesthetic quibbling Anyone interested in aesthetics in the purpose of art or in the troubling issues posed by modernism and post modernism should read this book Randall R Dipert Author of Artifacts Art Works and Agency Torres and Kamhi effectively situate Rand s long neglected esthetic theory in the wider history of ideas They not only illuminate her significant contribution to an understanding of the nature of art they also apply her ideas to a trenchant critique of the twentieth century s advanced art Their exposure of the invalidity of abstract art is itself worth the price of admission Chris Matthew Sciabarra Author of Ayn Rand The Russian Radical Rand s aesthetic theory merits careful study and thoughtful criticism which Torres and Kamhi provide Their scholarship is sound their presentation is clear and their judgment is refreshingly free from the biases that Rand s supporters and detractors alike tend to bring to considerations of her work Stephen Cox University of California San Diego **Dance Research Journal** ,2005 **Art** ,1973 Performing Arts Books, 1876-1981 ,1981 **International Dictionary of Modern Dance** Taryn Benbow-Pfalzgraf (editor),Glynis Benbow-Niemier,1998 Offering an up to date and comprehensive examination of modern dance this reference offers alphabetically arranged essays selected written and reviewed by expert contributors Dancing Times ,1999 The New Grove Dictionary of Music and Musicians: Egypt to Flor Stanley Sadie,2001 Dance and Dancers ,1978 **CCP Encyclopedia of Philippine Art: Philippine literature** Cultural Center of the Philippines,1994 Performance Roselee Goldberg,1998-10-15 This is the first ever complete and profusely illustrated survey of Performance art from the 1960s to the present written by an internationally renowned performance artist **The New Grove Dictionary of Music and Musicians** Stanley Sadie,John Tyrrell,2001
