The Long March Of Israel:

The Long March of Israel Jacques Soustelle, 1969 **An Introduction to the Israeli-Palestinian Conflict** Akan Malici, 2025-02-04 As one of the most enduring and bitter struggles we have seen in over 100 years the Israeli Palestinian conflict is a powder keg always on the verge of exploding and drawing in the wider region the international community at large and in particular the U S Although the conflict is of far reaching importance among college students and the general public there is a dearth of knowledge about it Many of the conversations in these audiences are animated by ongoing myths and problematic talking points This book fills in the gaps of understanding while puncturing false dichotomies and tearing down walls of ideology or indifference It addresses perennial questions including When and why did the conflict start What exactly are the claims of the contending sides Why does peace seem unattainable What is a likely long term outcome and how can it be brought about in a peaceful way doing justice to both sides Finally this book maintains that historic Palestine the land between the Mediterranean and the Jordan River must become a home for both Palestinians and Jews with equal standings for both and without exclusive claims for either For students scholars and citizens of the world this book provides a concise and level headed way to understand one of the most complex and vexing conflicts of our time **Israel - The Apartheid State Jan-April 2019** Godot Hussein, 2019-04-15 Another few months of Zionist madness apartheid house demolitions killings brutality against civilians and the usual list of land thefts Israel the totally failed nation The nation which puffs its chest out in 2019 and pretends to be great and powerful In practice it s built on land thefts and apartheid It s as simple as that As with all the earlier books compiled by Godot Hussein this volume will be made available at cost price only All of these books are merely a record of freely available articles on the internet in newspapers and magazines over a period of time that monitor the situation in Israel Palestine I want a record kept of the atrocities which are being committed in the name of the Zionist State of Israel Web sites often close or become unavailable over periods of time and people forget the facts of what actually happened on the ground at a particular period Hence these volumes **Banging on the Walls of the Tank** Haidar Eid, 2025-05-06 Banging on the Walls of the Tank is a collection of reflections and analysis written over eighteen years in Gaza by Palestinian academic and activist Haidar Eid Providing an insider s perspective on the blockade of Gaza since 2007 the Israeli attacks in 2009 2012 2014 and 2021 the Great March of Return and the ongoing genocide committed by the apartheid Israeli state Eid s essays examine political alternatives opportunities for resistance and prospects for a just peace after more than a century of dispossession *The Arab-Israeli Wars, the Chinese Civil War, and the Korean War* Roy Kenneth Flint, Peter W. Kozumplik, Thomas J. Waraksa, 1987 What does the American novel look like in the foundational period of the early American republic This collection of essays sets out to present the current state of criticism in an area that is at once extremely familiar and just beginning to be studied [The Politics of the Wretched](#) Zahi Zalloua, 2024-09-05 The Politics of the Wretched argues for resentment s generative negativity prompting a shift from resentment as a

personal expression of frustration to resentment as a collective No Inspired by Kant and Nietzsche s philosophy Zalloua identifies two modes of deploying resentment private and public use by substituting resentment for reason This reinterpretation argues for a public use of resentment for the wretched to universalize their grievances to see their antagonism as cutting across societies and to turn personal trauma into a common cause A public use of resentment rails against the ideology of identity and victimhood and insists on resentment s generative negativity its own rationality prompting a shift from resentment as a personal expression of frustration to resentment as a collective No Reframing resentment as a tool to oppose the evils of capitalism anti Blackness and neocolonialism it both alarms the liberal gatekeepers of the status quo and promises to energize the anti racist Left in its ongoing struggles for universal justice and emancipation
