Austria, Prussia and Germany, 1806-1871 John Breuilly,2002 In this survey of an important period in European history John Breuilly examines the influences and events that resulted in the formation of the German nation state under Prussian dominance *The politics today companion to West European Politics* Geoffrey Roberts,Patricia Hogwood,2018-07-30 There is an urgent need for a book of this nature which provides students with all the essential information required and a full definition of terms A perfect companion to European politics today written by the same authors this book presents past events prominent personalities important dates organisations and electoral information in an accessible easy to read format The book is split into five sections for ease of use a dictionary of significant political events a chronology of major events in Europe since 1945 a biographical dictionary a dictionary of political organisations and electoral data In addition to being a comprehensive reference tool this book is intended to provide a sound historical background to the development of Western European politics An electronic edition of this book is freely available under a Creative Commons CC BY NC ND licence

Was Jesus Crucified? Keith Prosser,2016-07-07 An historical research into the life and death of Jesus Christ as described in the Christian Holy Bible Examines early Gnostic Jewish Roman Greek Syrian and Christian historical sources to give a near comprehensive analysis of the subject resulting in a genuine fresh look into the well studied topic A meticulous review is made of what Josephus wrote about Jesus through critical analysis demonstrating why he must have written it A similar examination is made of the Gnostic writings especially the Nag Hammadi gospel of Thomas resulting in textual proof he wrote it after the Bible s gospels The book should prove of great interest to those studying or reading the New Testament as it includes a summarised history of the Faith spanning from the present day to the first century the origins of present day

scepticism introduction into manuscript preservation and a glossary of theological terms and early Christian controversies

Austria, Prussia and The Making of Germany John Breuilly, 2014-06-11 It is often argued that the unification of Germany in 1871 was the inevitable result of the convergence of Prussian power and German nationalism John Breuilly here shows that the true story was much more complex For most of the nineteenth century Austria was the dominant power in the region Prussian led unification was highly unlikely up until the 1860s and even then was only possible because of the many other changes happening in Germany Europe and the wider world
