**The Lost Boys** Gina Perry, 2022      **The Lost Boys** Canadian Stage Theatre Archives (University of Guelph), Jonas Jurašas, R. H. Thomson, CentreStage Theatre, Manitoba Theatre Centre, Toronto Free Theatre, 2002      **The Lost Boys of Sudan** Mark Bixler, 2006 In 2000 the United States began accepting 3 800 refugees from one of Africa's longest civil wars. They were just some of the thousands of young men known as Lost Boys who had been orphaned or otherwise separated from their families in the chaos of a brutal conflict that has ravaged their home country of Sudan since 1983. This book focuses on four of these refugees. Theirs however is a typical story, one that repeated itself wherever the Lost Boys were found across America. It is a story of the countless challenges of making it in a strange new place after years on the run in Sudan or in refugee camps in Kenya and Ethiopia. As we immerse ourselves in the Lost Boys' daily lives, we also get to know the social services professionals and volunteers, celebrities, community leaders, and others who guided them with occasional detours toward self-sufficiency. Along the way, the author looks closely at the ins and outs of U.S. refugee policy, the politics of international aid, the history of Sudan, and the radical Islamist underpinnings of its government. Welcome to scenic Santa Carla, California. Great beaches. Colorful characters. Killer nightlife. And of course, all the damn vampires. The Emerson brothers, Sam and Michael, and the Frog brothers, Edgar and Alan, learned that last part the hard way: these underage slayers took on the vampire master Max and his pack of punked-out minions and drove a stake right through their plans to suck Santa Carla dry. After scraping the undead goo off their shoes, they figured everything was back to normal. But now there are new vamps in town. A coven of female undead called the Blood Belles has moved in, and they've targeted Sam, Michael, the Frog Brothers, and every other vampire hunter in Santa Carla for bloody vengeance. It'll take every trick in the brothers' monster-killing book to stop these bloodsuckers from unleashing an entire army of the damned. And they'll need help from an unexpected source: a certain shirtless sax-playing savior known only as the Believer. Do you still believe? But will it also keep them apart? Having moved to a strange town, seventeen-year-old Joey Gray is feeling a little lost until she meets a cute, mysterious boy near her new home. But there's a very good reason why Tristan Holloway is always to be found roaming in the local graveyard. Perfect for fans of Stephenie Meyer and Lauren Kate, *The Lost Boys* is a magical romantic tale of girl meets ghost.      **The lost boys** Craig Shaw Gardner, Janice Fischer, James Jeremias, Jeffrey Baom, 1988      *The Lost Boys* Sam De
