Gaunt, 2013-09-27 Princess Juliennes heart was torn asunder for him that was her True Love had disappeared The Kingdom was being torn apart and only with their marriage would the land be made whole The Princess was in such grief and sorrow that she did what she should not have She made a deal with him that was called the Legendary One for all knew his demands were not always what one truly wanted She did indeed however make a Pact with him He brought her True Love away from the one who did capture him He did not return her love to her Rather he made her wait until the time when the future King would once again be needed Do to their love which transcended time itself did the Legendary One make her not change but she was instead made to forget who he was to protect him He who was saved due to the Legendary One made him Lost to all even unto himself for eons they were lost to each other The Legendary One had made her unchanged throughout the eons He made her think he was not there He who was now called the Lost King however was there unknown to himself and all others He was there throughout the eons there protecting her *The Lost Kings* Amy Licence, 2017-08-01 The century spanning the wars of the roses and the reigns of the Tudor kings was a volatile time of battle and bloodshed execution and unexpected illness Life could be nasty brutish and short Some met their end in battle others were dragged to the block losing everything for daring to aspire to the throne Some were lost in mysterious circumstances like Edward V the elder of the Princes in the Tower But the majority of these young men died in their teens on the brink of manhood They represent the lost paths of history the fascinating what ifs of the houses of York and Tudor They also diverted the route of dynastic inheritance with all the complicated implications that could bring passing power into some unlikely hands This book examines ten such figures in detail using their lives to build a narrative of this savage century **The Lost King** Henry Shackelford, 1903 *Lost Kings and Kingdoms* Robyn Hardyman, 2016-12-15 Great kingdoms and rulers from the distant past can become lost over time For some no records survive to prove their existence For others the records are woven with so many fanciful details they seem like legends How do we distinguish what's true and what's false This inclusive volume offers the latest insights into familiar

legends such as Arthur and his Camelot but also equally intriguing lore and history of lost kingdoms of Africa Asia and the early Americas Readers will discover that the endeavor to unearth these realms reveals much culture history and geography about different world regions **The Lost King** Leilani Love,2018-11-23 The Lost King Alison Prince,2014-04-24
