Henning Haslund, 2015-02-25 First published in 1935 this rare and unusual travel book takes us into the virtually unknown world of Mongolia a country that only now after 70 years is finally opening up to the west Haslund a Danish Swedish explorer takes us to the lost city of Karakota in the Gobi desert We meet the Bodgo Gegen a god king in Mongolia similar to the Dalai Lama of Tibet We meet Dambin Jansang the dreaded warlord of the Black Gobi There is even material on the Hi mori an airhorse that flies though the air similar to a Vimana and carries with it the sacred stone of Chintamani Aside from the esoteric and mystical material there is plenty of just plain adventure

Eccentric Lives and Peculiar Notions John Michell, 1999-04 Takes us into the bizarre and often humorous lives of such people as Lady Blount who was sure that the earth is flat Cyrus Teed who believed that the earth is a hollow shell with us in the inside Edward Hine who believed that the British are the lost Tribes of Israel and Baron de Guldenstubbe who was sure that statues wrote him letters British writer and housewife Nesta Webster devoted her life to exposing international conspiracies and Father O Callaghan devoted his to opposing interest on loans The extraordinary characters in this book were and in some cases still are wholehearted

enthusiasts for the various causes and outrageous notions they adopted and John Michell describes their adventures with spirit and compassion Genesis Unveiled Ian Lawton,2004 Our oldest texts and religious writings speak of a golden race dwelling in utopian bliss before losing their way and suffering annihilation In a reappraisal of the sacred texts of antiquity Ian Lawton uncovers what he believes is the key to deciphering the origins of our antediluvian ancestors *New Age Journal* ,1998 **September 11** Lauren Tratar,2002 Compelling evidence suggests that a deeper meaning underlies the terrorist attacks of September 11 that humanity received a 9 1 1 emergency wake up call on that infamous day If heeded this wake up call will not only catalyze the dawning of a magnificent era for humankind but alleviate much of the pain anguish and suffering that has a part of our existence for such a long time Ancient prophecies the mysterious Bible Code and Dead Sea Scrolls share a common theme From 1989 2012 humankind would undergo the most radical shift in awareness ever experienced in this world Mysteries would be revealed that have long baffled mankind a more expansive version of truth unveiled Why now We ve arrived at a crisis point in the evolution one where we have acquired vast power but lack critical knowledge to use it wisely thereby creating the potential to destroy our world and humanity The time has come to heed the ancient truths destined to be revealed at this pivotal moment in history truths corroborated by Quantum Physics truths essential to move into the future with hope peace and empowerment The Lost Teachings of Jesus Mark Prophet,Elizabeth Clare Prophet,1986 Mark and Elizabeth Prophet show that many of Jesus original teachings were lost Some were removed from the Gospels Others were suppressed or kept secret In modern vernacular the authors offer a unique blend of the mystical and the practical that goes beyond the orthodox view of Jesus to discover his original message They answer questions that have puzzled readers of the Bible for centuries **The Obsidian Trials** Pamela Santi Meunier,1999-10 This is a collection of stories each written with spiritual insight and personal experience from people all over the country Angels With Fur is a book of comfort inspiration and tribute for anyone who has been touched by the love of an animal or pet The book also contains scholarly research on the role animals have played throughout the ages and how they have helped humans
